**Letters of Recommendation:** *Provide three letters of recommendation*, including one from the pastor of your home church and one from a faculty member. If you will be a freshman you can use a high school teacher.

**Essay:** Discuss your educational and career goals and how you plan to reach those goals. Limit your essay to 500 words or less. *A new essay must be written with each application.*

### MILDRED H. GUYER MEMORIAL SCHOLARSHIP

Mildred H. Guyer was a member of Calvary Baptist Church for 45 years. She and her husband Stan had five sons. One of their sons died as a young child. They then had four other sons, one who died in Vietnam, one who lives and works in Tuscaloosa, one who is a school psychiatrist in Georgia and one who is a surgeon in Idaho. All four of their sons were in college at the same time. Mildred was a quiet, hardworking woman who worked as a real estate agent for twenty-two years to help put her children through college. She and Stan recongnized the value of education and wanted to help students continue their education and to encourage their spiritual growth. Her husband has established this fund in memory of Mildred to help students at the University. This fund will provide one scholarship each year. The recipient of the scholarship will be selected based on the following criteria:

1. Be enrolled as a full-time undergraduate or graduate student at the University of Alabama or other institutions of higher education and learning. (Examples: Shelton State, Samford University, Judson College, University of Mobile, etc.)
2. Be an active member of Calvary Baptist Church in Tuscaloosa or under College Membership of Calvary Baptist Church.
3. If more than one application is submitted, consideration will be given based on the greater financial need of the applicant.
4. The scholarship will be sent to the financial office of the University of Alabama in the name of the student who receives the award.
5. Ten percent (10%) of the income received each year will be added to the corpus of the Mildred H. Guyer Scholarship Fund to provide for a systematic growth of the fund. The remaining ninety (90%) of the income received each year will be used to provide one scholarship per year. The scholarship will be applied equally to the Fall and Spring Semesters. If the student is in school for only one of the two semesters, then the remaining money will be available for another partial recipient.
