

# WEEK 2

## SMALL GROUP GUIDE

# LEGACY

## THE BIG IDEA

The Holy Spirit helps us love everyone.

## THE BIBLE

**More People Believe in Jesus:** Acts 10:44-48  
(I John 5:1-6)

## QUESTIONS

- What made Cornelius different from Peter?
- How did Peter find out that God loves everyone, even if they are different?
- How can we receive the Holy Spirit?
- Read I John 5:1. Do you think it is possible to love God but not love God's children?
- How has God shown you love?
- Who is someone who is really different from you?
- How can you show them love this week?

## ACTIVITY

*The kids will make their own steampunk goggles by cutting toilet paper rolls in half at a slant (or paper towel tubes in quarters). Instruct the kids to decorate their steampunk goggles using the materials provided. Hot glue the rolls together with the longer edge of roll on the outside, punch a hole on either side of the rolls, and make a head strap for the cord (or glue it on to an eye mask).*

It can be really easy to spot the differences between us and other people, and those differences might make us afraid or hesitant to approach them. I know these steampunk goggles won't really help us see better or protect our eyes from our travels. But it's a great reminder of how we should use the eyes of our heart to see others the way God does! **The Holy Spirit helps us love everyone.**

**MEMORY VERSE OF THE MONTH:** Romans 8:14 (NIV)

**For those who are led by the Spirit of God are the children of God.**
