Worship Services at 8:00, 9:30, and 11:00.

We offer one section of chairs in each service that requires face coverings. The chairs are configured to accommodate social distancing as well. Those who choose to sit in this section should enter and exit the Worship Center through the forward right side door by the Memorial Garden. Hopefully this provides a comfort level for those who haven't returned but would like to attend one of the live services. Again, you *must* wear a face covering to sit in this section.

We still have a social distance only section on the left side, and the 2 middle sections remain open to anyone. Face coverings are still recommended here but not required in these sections. Cloth masks are available at the Connection Counter if you would like one.

The online Service premieres at 8:00am, and is then archived and available to watch at your convenience. We encourage those who are not ready to come back or have symptoms of sickness to stay home and watch online.
