## LENT GIVING DRIVE

During the time leading up to Easter, the church has traditionally observed a season of generosity, simplicity, and repentance. This Lent we have the opportunity to support our Crosstown food shelf by adding specific cleaning supplies to our distribution.

Paper Towels

Hand Sanitizer

Dish Soap

These much needed items will be collected at Crosstown through April 27th. An Amazon shopping list has been created for easy ordering.

Want to give money instead? Utilize the memo line with your offering to indicate the gift is for the Lent Giving Drive.
