### **Missionary Moment**

IMB workers Ben and Christy minister among Jewish communities in Poland and have connected with Polish believers who share the vision of learning the Hebrew language and reaching Jews in Poland.

The combined number of evangelicals in Poland is less than one percent of the population, making Poles an unreached people group. The number of Jews living in Poland continues to be extremely small, but now, 75 years after the Holocaust and World War II, the Jewish population has begun growing. However, both in Poland and around the world, very few Jews have a personal relationship with the Messiah, Jesus Christ. Please pray for the Ben & Christy as they spend time building relationships with the Polish Jews.

*We hope you will join us

### **Benediction**

Grant to us, O Lord, to know that which is worth knowing, to love that which is worth loving, to praise that which pleases you most, to esteem that which is most precious unto you, and to dislike whatsoever is evil in your eyes. Grant us true judgment to distinguish things that differ and above all to search out and do what is well pleasing to you, through Jesus Christ, our Lord. Amen. - from *The Worship Sourcebook*, 9.1.43
