

St Mary's Kids at Home

Here is your discussion sheet to use as a family at home.

This week we are looking at the creatures of the world.

Question Time

1. What is the weirdest animal you can think of?
2. Why do you think God created animals?
3. Which animal do you think is God's favourite animal and why?

Bible Time

Get your bibles out and read Psalm 104 and discuss together what it tells you about God's creation.

Prayer Time

Take some time together, go outside and look for animals to be thankful for - look high and low, what animals are in the sky and what animals are hiding on plants? Which ones are wild and which ones are pets?
