

Little Friendships Preschool

Wants to promote friendships, social skills, self-esteem and school readiness by offering many positive and fun learning experiences for your child.

We want to help your child learn Christian values through planned activities and by staff example.

We will work with each parent in a loving and caring way to help your child reach their greatest potential.

Little Friendships Preschool

2020-2021

Little Friendships
Preschool
wants children to
experience the joy
of learning!

We help children adapt to new situations in a loving environment.

We encourage children to interact positively with others.

We teach children that learning can be fun.

We introduce children to the learning process to make the transition to Kindergarten easier.

We offer extra fun and beneficial opportunities for the parents and the children throughout the year.
