

Temporary Changes to GFC Services:

GFC family, due to the current recommendations being set forth by officials in response to the COVID-19 situation, we will be temporarily moving ALL Grace Fellowship services to **an online-only format** effective immediately. Rather than gathering in-person, we will be gathering together “virtually” from the comfort of our homes!

Pastors Dale and Patty will be livestreaming messages at our normal service times, **Wednesdays at 7PM** and **Sundays at 10:30AM**, and they strongly encourage you to set aside this time – just as you normally would – to gather together with your family to hear and receive from the Word of God. During times like this, feeding on the Word is extremely important, and your pastors are dedicated to taking advantage of every means available to feed their flock, including the blessings of modern technology.

The livestream will be available on both our GFC Facebook page (search Grace Fellowship London), as well as, our YouTube channel, which you can find at: https://www.youtube.com/channel/UCDEb1d5rcQivWA4i_wD9RtA. As usual, all services (even in this new format) will continue to be archived and made available on the GFC website and mobile app for future viewing. Also, be sure to follow us on social media for the latest updates, as we move forward.

We hope you will make plans to join us for “Grace At Home” during the next few weeks. We are better together, even when “together” means being physically apart temporarily.
