

Dear Parents:

Welcome to Little Friends MDO Pre-K Program! Little Friends MDO Pre-K is a ministry of Crosby Church. We are very excited that you chose our program for your child. Our program is designed to provide loving care to your children and nurture them as they continue to develop emotionally, physically, and spiritually. Children grow so fast and time is of the essence to teach them all they need to know to grow up in this great big world that God gave us.

As a ministry of Crosby Church, we will partner with you as you raise your child in the Lord. You play an important part in our role to minister to your child. This welcome pack is designed to help you understand our program, its mission, and guidelines under which we will operate. You are always welcome to drop in, ask questions, and make suggestions, or call anytime with praises or concerns. A good relationship between the staff at Little Friends and you, the parent will contribute to a successful experience for your child.

Please return your child's Notarized Enrollment Form, Copy of your Insurance Card, Shot record, Parent Agreement, Child Profile to our administrative assistant, Mrs. Chrystal Manuel.

We at Crosby Church value children and believe in families. We sponsor this MDO Pre-K Program to help your children grow like Jesus grew and love others as he has loved us. "A friend loves at all times" Proverbs 17:17. You can rest assured that while you are away running errands or at your place of work, your child will be learning ABC's, 123's and most importantly, of God's love for them! Thank you for this opportunity to share in this part of your child's life.

God Bless,

Rhonda Powell

Purpose

A child develops physically, mentally, emotionally, socially and spiritually. We are committed to providing academically based, age appropriate experiences to allow each child to progress in these areas at his/her own level of ability while enjoying feelings of success. This is primarily done through hands on activities, centers, play with purpose, and positive Christ like role modeling of the staff. We view every moment with your child as a teachable moment. Our goal is to point them to Christ in everyday activities and lay the foundation for a future relationship with Him. "You shall love the Lord your God with all your heart, with all your soul, and with all your strength. And these.....shall you teach diligently to your children, and shall talk of them when you sit in your house, when you walk by the way, when you lie down and when you rise up" (Deuteronomy6:5-7) We also desire for the children that go through our program to be equipped and beyond ready for their first day of kindergarten. A few things a child going into kindergarten is expected to know and identify is 20 uppercase and 20 lowercase letter, identify and produce 20 letter sounds, know and utilize concepts about print, write first name, rote count to 30, make/count sets up to 10 objects, recognize numerals 0-9, know and create basic shapes. These are just a few of the main items. So it is our goal to help you as the parents equip your child for this next step in their life.

Health/Illness

Children who have a contagious illness or exhibits signs of illness (fever, diarrhea, vomiting, or a suspicious looking rash) may not attend. They must wait 24 hours after signs have passed before returning. If your child becomes ill during the day, he/she will be isolated from the group and you will be called to pick him/her up immediately. In the event of exposure to a contagious disease within the group, you will be notified in writing. The staff will not administer any medication.

Each child is to have an up-to-date immunization record on file. Please update record each time Immunizations are given.

Referrals

We love referrals! If at anytime you refer someone to our program, tell them to put your name in the blank on our enrollment form where it says, "How did you hear about us." If they place your name on the enrollment form you will receive a \$50 referral buck to be used toward any month's tuition you choose. We won't replace lost or stolen referral bucks however. Thank you for spreading the word about our program!

Food

Each child will need to bring a lunch and drink. Please label juice cups, containers, and anything else that will need to be sent home at the end of the day with child's name. Please pack a nutritious meal and make sure it does not pose a choking threat. Due to many having peanut allergies we ask that no peanut products be sent

with students.

Birthdays are a wonderful time in a child's life and we want to make every effort possible in celebrating those with each child. If you would like to send cupcakes or cookies with your child on his/her birthday that would be great but they must be prepackaged only.

We will have four classroom parties during the school year in which parents will be asked to contribute items. Any treats must be store bought for hygienic purposes.

Clothes

Children will be going outside occasionally (weather permitting), so please dress them accordingly to enjoy God's beautiful world. Keep in mind, they will be outside in the morning hours and the high temperature for the day does not occur until late afternoon. Tennis shoes are best for busy little feet.

Each child will need to have an extra change of seasonal clothing in case of an accident. Diapers and wipes will need to be provided by the parents.

Discipline

We encourage positive redirection. Positive discipline teaches children where limits are set, how to maintain control of their bodies, and how to problem solve in the event of the conflict.

We encourage children to empathize with one another's feelings and see the results of their actions. We discourage inappropriate behavior. We use "Time Out" as our last resort. Any child that is put in time out is always supervised by a teacher and shall remain in time out only 1 minute per age of the child. When time out is over, it is explained to the child why time out occurred and what correct behavior is expected. No child is subjected to corporal punishment or physical discipline at any time. Discipline shall never be related to food, rest, or toileting.

We will make every effort to work with parents of children having difficulties in child care. Behavior of children which disrupts normal classroom group activities on a frequent or extended basis may indicate physical or emotional problems requiring the attention of a professional specialist. The teacher and/or Director, with parental consent, will take the necessary steps to refer the child to the Public Health Nurse, a Mental Health Consultant, or other appropriate places for a professional evaluation.

Children displaying chronic disruptive behavior which is upsetting to the physical or emotional well-being of another child may require the following actions:

1. Parents of the child will be called in for a conference. We will discuss the issues and identify some possible solutions. A plan of action will be developed and agreed upon by the parents, staff, and a health/behavioral specialist.

2. If the plan of action is not working, the parents will be called in for another meeting. We will discuss what is not working and develop another action plan.

If no progress has been made towards solving the problematic behavior, the child may be suspended from care. This suspension may range in length from the rest of the day to indefinitely.

Dismissal

Crosby Church Mother's Day Out reserves the right to cancel the enrollment of a child for the following reasons:

- Nonpayment or excessive late payments of fees
- Physical and/or verbal abuse of staff or children by parent or child
- Not observing the rules of the program as outlined in the handbook /parental agreement

The use of physical force as a discipline measure is prohibited. This includes spanking, slapping, pinching, shaking, biting, pulling hair or arms, jerking, etc.

Protocol for visiting therapists

We realize that some of our students will have the need for therapists to visit, such as a speech therapist or physical therapist. We are more than happy to accommodate this need. However, therapists must come during the times of 9:30-11:00. This is the best time for observation considering many of our kids begin to eat lunch at 11.

Withdrawal

Two week notice in writing is required for withdrawal and is to be submitted to the Director. If notified after the first of the month, tuition for that month will still be due and will not be refunded.

Our curriculum is based off of Frog Street curriculum and modified to fit our schedule and goals.

Communication

We utilize text alerts, Facebook as well as an app called Class Dojo to communicate with our parents. Please make sure to get connected to one or all of them.
