

Our current COVID protocols for MDO

1. All teachers and staff will wear a mask but the students WILL NOT need to wear a mask.
2. We will be limiting who comes into the building. All staff will be temperature screened on arrival. If exhibiting any symptoms of COVID-19 they may be asked to go or stay home. All students will be dropped off in the car rider line and temperatures checked before entering. If they are running a temp or exhibiting any symptoms of COVID-19, they will not be able to attend that day. We will also offer a safe and natural hand sanitizer on arrival to each child before entering. If you need to drop off past 9:20, please wear a mask and come to the side door and we will meet you there to temperature screen and take your child to their class.
3. Pick up will be done through car rider line as well. If you need to pick up your child early, please come to the side door with a mask on and we will bring you the sign out sheet and bring your child to you.
4. Class sizes will be kept smaller this year than last to help the students spread out more. Each class will stay with the kids and teacher solely in their class. Lunch will be eaten in the classroom this year as well, not the gym.
5. Any areas or toys that multiple classes use will be cleaned and disinfected by our school's custodian in between uses with Melaleuca products which are natural EPA and FDA approved cleaners that are proven to kill the coronavirus but are much safer for our children and the environment.
6. We will be encouraging hand washing multiple times a day with soap and water and also providing a safe hand sanitizer for all our students.
7. Teachers will clean and disinfect frequently touched surfaces throughout the day.
8. Student's school supplies will be kept separate this year as well.
9. In the result of a staff member or child being known to have tested positive for COVID-19 we will immediately notify everyone and shut down to be able to thoroughly clean and disinfect everything before opening back up.
10. For this fall semester, we will not be allowing parents to come for the class parties, but we will work to send you lots of pictures so you can see the fun the children are having.
