

TODAY'S MESSAGE

3.15.2020 - What Do We Do Now?

Text: Philippians 4:6-7

These past few weeks have been filled with news about the coronavirus and other world events. Some call it hype. Some call it the beginning of the end. One thing we can all agree on is, there is a lot of fear, uncertainty, and anxiety in our world/community today. Join us as we look to the Bible to see how God's people are called to respond in times of great uncertainty and fear.
