

In order to participate, all you need is a Google Chrome browser, the extension and a Netflix subscription. Here's how it works:

1. Go to [netflixparty.com](http://netflixparty.com) on a Google Chrome browser and click "Get Netflix Party for free!" This will redirect you to Netflix Party's page on the chrome web store.

*Click "Add to Chrome" and then click "Add extension" in the pop-up window. Netflix Party will then be added to the top right corner of your Google Chrome browser, next to the address bar. It will have the initials "NP."*

2. A few minutes before the Watch Party, expect an email with the movie link. We will also post the link to Facebook.

3. Participants should open the link, and log into Netflix, then hit the "NP" button on their Google Chrome browsers.

4. The final step, pop popcorn, chat it up with your friends, and enjoy!
