CalvaryMac University group is intentionally organized for college-aged individuals who fall into the age range of 18-24. This group is designed to cultivate authenticity as individuals wrestle (personally and practically) with how the "Way of Jesus" intersects with their lives, whether in times of joy or in brokenness, to live different in the world around them.

CMU is a ministry of CalvaryMac and is overseen by Brian Carlson and the elders. Every event and course are filtered through CalvaryMac's vision statement of "Live Different."

It's important to know this group is focused on the 3G's:

We are a **GATHER**ing of college- aged individuals who are 18-24.

We aim to **GROW** in the way of Jesus to live different than those in the world around us.

We seek opportunities to **GIVE** of ourselves as we practice living out the "Way of Jesus".

**"My prayer is not that you take them out of the world but that you protect them from the evil one. They are not of the world, even as I am not of it. Sanctify them by the truth; your word is truth. As you sent me into the world, I have sent them into the world." John 17v15-18**
