## 2021 BIBLE READING PLAN

[www.firstmckinney.com/Bible](http://www.firstmckinney.com/Bible)

In just a little over 300 days you will read through the entire Bible by reading from 4 different places each day. By starting in mid-February and spending around 13 minutes each day reading the 5 entries for that day, at the end of the year, you will have read the whole Bible and Psalms 2x. The advantage of this type of plan is that you will be exposed to various parts of the Old and New Testaments simultaneously, which will keep your reading fresh and remind you of "the whole counsel of God!"
