

THORNAPPLE

COVENANT CHURCH

Below are the standards for how we choose community organizations to support:

- Must be a non-profit organization.
- Must serve the poor and needy in urban Grand Rapids or be a ministry that works to end injustices around the world.
- High percentage of funds directly benefit the poor (low overhead).
- Need for Thornapple support critical. We favor organizations where Thornapple's support will make a difference.
- Volunteer opportunities available.
- Mission is Christian or consistent with Christianity.

The Love Mercy Do Justice Team, exercises its judgment and may support organizations whose mission is not specifically Christian, but is consistent with Christian faith. Examples include Kids Food Basket (feeding hungry children) and the Kent Country Jail program (helping those in prison or families of those in prison).

The majority of organizations we support have a Christian Mission.
