

FIND YOUR TWIN (5 mins)

Supplies: "My Twin Cards" (printable)

Prepare: Print (filename: "LGNT_HUDDL02.pdf") and cut apart the cards (one card needed for each child).

Give each child a card. Explain that each person will need to act out the item on his card to find his twin. Kids are not allowed to talk or show their cards to others.

Debrief: Point out that some of the cards featured people who help or rescue others. Remind kids that Jesus is the ultimate Rescuer. He came to save us from our sins and give those who trust Him eternal life.

ALLIGATOR GAME (5 mins)

Supplies: Tape

Prepare: Tape off rectangles on the driveway just big enough for each group.

Lead each group to stand inside a rectangle. Instruct kids to do different things while remaining inside the rectangles. For example: line up shortest to tallest; stand elbow to elbow; touch the foot of someone else; and so forth.

Debrief: Point out that at times it was hard to stay inside the rectangle and obey all the commands. Remind kids that God knew we could not keep all His commands, so He sent His Son, Jesus, to live a perfect life and rescue us from sin.

EARTH, AIR, OR SEA (5 mins)

Supplies: Balls (1 per group)

Form a circle. Choose one child to start in the middle. This child calls out a category (earth, air, or sea) and throws the ball to someone in the circle. The child who catches the ball names an animal that lives in that category. He then trades places with the child in the middle and continues the game.
