PRECEPTS: MARK

TUESDAYS 9:30 - 11:30AM | JAN 18-MARCH 22 | ROOM 210B

The most important question you will ever answer is this: Who do you believe Jesus Christ is? With all the opinions floating around—He's a good man, a teacher, a prophet, the Son of God—how can you know who is right? This inductive study of Mark's account of Jesus' life gives you the answer. Rather than rehearsing what people said about Jesus, Mark shows you what Jesus did. As you learn to carefully observe Mark's report, you will discover that Jesus left no doubt about who He claimed to be. His miracles demonstrated His authority over sickness and infirmity, spiritual darkness, dead religion, threats from nature, and even death itself. Arrangements will be made for materials (\$20) to be picked up and the first lesson completed prior to the first session.
