

Dear JCC family,

What a strange time we're going through! Thank you so much for your prayers as the pastors, staff and our church board deal with unprecedented decisions regarding the extremely important issues of worshiping the Lord as the church and protecting the health of our congregation and community.

As much as we'd like for our services to be just like they were before this crisis, that isn't possible just yet. There will be several guidelines set in place that we will be following as we meet each Sunday. These guidelines for resuming our on-campus meetings follow State and County Health Orders. As you read through them, please realize that these guidelines will not be set in stone forever. We pray that we can lessen our restrictions as the State and County revise their Health Orders.

We will be holding Sunday Worship services **outside** in the patio area at 8:30am and 10:30am. We have added shade to help with the summer weather!

Please follow these guidelines while you are on campus:

- Six-foot social distancing when not with household members
- Face coverings required as you move around or go inside the building
- KidsWorld and nursery are not meeting at this time, and children need to remain with their family at all times.
- Please refrain from handshakes and hugging (we know this will be hard!)
- Attendees need to self-screen at home regarding COVID-19 symptoms. If you answer yes to any of these questions, you will need to stay home and watch the live stream. The three questions for self-screening are:
 1. Have you had a cough, shortness of breath, fever of 100 or higher or any other Covid-19 symptoms in the last 3 days?
 2. Have you travelled internationally in the last 14 days?
 3. Have you had close contact in the last 14 days with someone who has been diagnosed with Covid-19, or they have Covid-19 like symptoms?
