

CPC Campus Usage Guidelines

Updated: March 9, 2021

If you or a household member have symptoms of COVID, been exposed to someone who has tested positive, or if you have tested positive for COVID-19, we ask you not to attend in person church activities until 14 days have passed since your symptoms began or the date of your exposure/test.

Please note: to ensure maximum safety, any group/meeting participants are required to wear masks for all CPC on-campus meetings, regardless of vaccination status.

If you do not have a mask, they are available on the premises at keypad entry points. Participants are encouraged to practice social distancing at all times.

Groups shall make primary use of outdoor zones when possible, utilizing corresponding indoor zones as needed due to weather or darkness.

When meeting indoors, groups shall keep interior doors to Sanctuary, Fellowship Hall, or meeting spaces open at all times to promote ventilation.

Groups shall be responsible for cleaning following their meeting, adhering to the cleaning protocol and utilizing supplies provided.
