

Let me ask you a question: **Who are God's chosen people?**

What's your answer: The Jews? Christians? The religious elite? The morally pious?

And a follow-up question: Are you included as part of the Chosen?

The answer is really simple, but includes a bit of Biblical history. It begins with Yahweh's chosen people - the ancient Jews. And connected to God's faithfulness to Israel are prophecies & promises about a coming Messiah that would extend the status of "chosen" to all who respond to His call. That's you. That's me. That's us. We're the chosen people of God. The new sermon series title, **The Chosen**, refers to multiple things, including God's chosen nation of Israel, those 12 disciples whom Jesus choose, and also to the loving acceptance offered to anyone who responds God's plan. But what does it mean to be chosen? Join us, Sunday at 10:30AM to answer that question and more.
