

## **God of this City**

By Chris Tomlin

You're the God of this city  
You're the King of these people  
You're the Lord of this nation  
You are

You're the light in this darkness  
You're the hope to the hopeless  
You're the peace to the restless  
You are

There is no one like our God  
There is no one like our God

For greater things have yet to come  
And greater things are still to be done in this city  
Greater things have yet to come  
And greater things are still to be done in this city

You're the God of this city  
You're the King of these people  
You're the Lord of this nation  
You are

You're the light in this darkness  
You're the hope to the hopeless  
You're the peace to the restless  
You are

There is no one like our God  
There is no one like our God

For greater things have yet to come  
And greater things are still to be done in this city  
Greater things have yet to come  
And greater things are still to be done in this city  
Greater things have yet to come  
And greater things are still to be done here

There is no one like our God  
There is no one like you, God

For greater things have yet to come  
And greater things are still to be done in this city  
Greater things have yet to come  
And greater things are still to be done  
We believe, we believe in you, God  
Greater things have yet to come  
And greater things are still to be done in this city  
Greater things have yet to come  
And greater things are still to be done here  
Greater things, still to be done here  
Ooh

## **I Lift My Hands**

By Chris Tomlin

Be still, there is a healer  
His love is deeper than the sea  
His mercy is unfailing  
His arms, a fortress for the weak

Let faith arise  
Let faith arise

I lift my hands to believe again  
You are my refuge, You are my strength  
As I pour out my heart, these things I remember  
You are faithful, God, forever

Be still, there is a river  
That flows from Calvary's tree  
A fountain for the thirsty  
Pure grace that washes over me

Let faith arise (let faith arise)  
Let faith arise (let faith arise)

I lift my hands to believe again  
You are my refuge, You are my strength  
As I pour out my heart, these things I remember  
You are faithful, God, forever

I lift my hands to believe again  
You are my refuge, You are my strength  
As I pour out my heart, these things I remember  
You are faithful, God, forever

Let faith arise, let faith arise  
Open my eyes, open my eyes  
Let faith arise, let faith arise  
Open my eyes, open my eyes

I lift my hands to believe again  
You are my refuge, You are my strength  
As I pour out my heart, these things I remember  
You are faithful, God, forever

And I lift my hands to believe again  
You are my refuge, You are my strength  
As I pour out my heart, these things I remember  
You are faithful, God  
You are faithful, God, forever  
Let faith arise  
Let faith arise
