"Jesus Transcends Social and Political Ideologies" – Mark 12  
Eric Ryan, Leadership Development Pastor

In Mark 12, everything feels disconnected, but it's not. The chapter is set during Holy Week and Jesus addresses several important teachings. As Jesus is confronted with various ideologies, Mark invites us to watch and ponder. We see that Jesus transcends all social and political views. Viewpoints aren't unimportant, but we must remember: where we have points of view, Jesus has view.

## DISCUSSION QUESTIONS

1. How would Mark describe you if he told a story about you approaching Jesus?
2. When are you likely to lose perspective on the fact that God's view is different than your own?
3. Which conversation in today's text hit you the hardest? Why?
4. What stuck out to you the most about the widow and her offering?
