

Scriptures for June 7, 2020

Our service today will be very different. We are going to read Scripture and worship in response.

That's it.

We are going to read Scriptures on the Holiness of our God, making confession, entrusting the evil of the world to His sovereignty, reaffirming that the Lord is our shepherd, and being reminded of His great love for us! May our singing songs of worship be our prayers in response.

I highly recommend, if you want to read along, that you mark the passages before we read each section. (You should see my Bible: ribbons, loose pieces of paper, and post-it-notes galore.)

Let the ones with ears, hear the Word of the Lord.
