*a kyrie eleison prayer for racial forgiveness*

Our land is sick with the sin of racism,

**Lord, have mercy.**

Our history is riddled with the sin of racism,

**Lord, have mercy.**

Our social structures perpetuate the sin of racism,

**Lord, have mercy.**

Father forgive us for not speaking out against racism,

**Christ, have mercy.**

Jesus we confess our silence, it has made us complicit in racist hatred,

**Christ, have mercy.**

Spirit move in us a genuine repentant heart,

**Christ, have mercy.**

May people of color experience your lasting peace,

**Lord, have mercy.**

May we all see justice manifest as we love our neighbor,

**Lord, have mercy.**

May we honor you Father, by protecting all you have made in your image,

**Lord, have mercy.**

*Ends Of The Earth*

I can feel it  
The beginning of a heartbeat  
I want to breathe it  
Can you show me how to live free

No more fear no pretending  
No more fake only believing  
So much more than just a feeling

I'll follow you to the ends of the earth  
Don't let go of my hand  
I'll follow you to the ends of the earth  
Lead me through the wasteland  
No I'll never look back  
Never look back  
Never look back oh  
I'll follow you to the ends of the earth  
Oh oh oh oh

You never said it'd be easy  
But easy never satisfies  
And I wouldn't trade it  
But your love is worth the sacrifice

This is just the beginning  
I'm into the never-ending  
This is just the beginning  
Oh oh oh

*Everlasting God*

Strength will rise as we wait upon the Lord  
We will wait upon the Lord  
We will wait upon the Lord  
Strength will rise as we wait upon the Lord  
We will wait upon the Lord  
We will wait upon the Lord

Our God You reign forever  
Our Hope our strong Deliv'rer

You are the everlasting God  
The everlasting God  
You do not faint  
You won't grow weary  
You're the defender of the weak  
You comfort those in need  
You lift us up on wings like eagles

*Breathe*

This is the air I breathe  
This is the air I breathe  
Your holy presence living in me  
This is my daily bread  
This is my daily bread  
Your very word spoken to me

And I I'm desperate for You  
And I I'm lost without You

This is the air I breathe  
This is the air I breathe

*At The Cross*

Oh Lord You've searched me  
You know my way  
Even when I fail You  
I know You love me

Your holy presence  
Surrounding me  
In every season  
I know You love me  
I know You love me

At the cross I bow my knee  
Where Your blood was shed for me  
There's no greater love than this  
You have overcome the grave  
Your glory fills the highest place  
What can separate me now

You go before me  
You shield my way  
Your hand upholds me  
I know You love me

You tore the veil You made a way  
When You said that it is done  
You tore the veil You made a way  
When You said that it is done

And when the earth fades  
Falls from my eyes  
And You stand before me  
I know You love me  
I know You love me

*Goodness Of God*

I love You Lord  
Oh Your mercy never fails me  
All my days  
I've been held in Your hands  
From the moment that I wake up  
Until I lay my head  
I will sing of the goodness of God

All my life You have been faithful  
All my life You have been so so good  
With every breath that I am able  
I will sing of the goodness of God

I love Your voice  
You have led me through the fire  
In darkest night  
You are close like no other  
I've known You as a father  
I've known You as a friend  
I have lived in the goodness of God

Your goodness is running after  
It's running after me  
Your goodness is running after  
It's running after me  
With my life laid down  
I'm surrendered now  
I give You everything  
Your goodness is running after  
It's running after me

*Revival Anthem*

Spirit fall down  
Start a Holy riot  
Fill this place now  
With the tongues of fire  
Break the strongholds  
Come and unleash heaven  
Burn within us  
Make us bold as lions

This is our revival anthem  
Can you feel the darkness shaking  
Oh we are the dry bones rising  
This will be our great awakening  
This is our revival anthem

Fill our hearts Lord  
With a Holy danger  
Lead us beyond  
Our fear of failure  
We'll fight the good fight  
In Your strength and power  
We'll take back the night  
Victory is ours

We will praise You when our hearts are breaking  
Praise You when our world is caving  
We will not we will not be moved  
We will praise You till we see Your kingdom  
Greater things are surely coming  
You are God and You are on the move
