

The Ark at GracePoint Church
COVID-19 Safety Protocols/Procedures and Waiver

GUEST SAFETY & CARE

The well-being and safety of our guests at the Ark is our first priority. The following are actions we are taking in light of the COVID-19 pandemic.

We are following all necessary state and local health department guidelines. We are also closely monitoring CDC guidelines and will provide prompt updates should the situation change.

In line with guidance provided by the health authorities, we have further reinforced our cleanliness measures including, but not limited to:

ENHANCED CLEANING - Cleanings occur at the conclusion of all scheduled parties. This includes the cleaning of all high-frequency touchpoints, such as tables, chairs, railings, door handles, etc. Surfaces are cleaned with a fog disinfectant that meets the EPA criteria for use against SARS-CoV-2, the novel coronavirus that causes COVID-19.

HEALTH SCREENING - We will be performing daily health checks on all staff members to ensure no one is coming to work when sick. All GracePoint hosts and cleaning staff are required to wear face masks while in close range with (i.e. in the same room) or interacting with party guests (maintaining 6 feet is the minimum guideline).

FACILITY PRECAUTIONS - No more than 50 people will be admitted for any reserved party. Hand sanitizer will be visible and available. Tables are spread 6ft. apart.

VISITOR GUIDELINES

HEALTH SCREENING - All guests will be temperature checked upon arrival at the Ark. Guests that register a fever of 99+ will not be admitted to the Ark. Guests with flu or cold like symptoms must refrain from entering our facility.

SOCIAL DISTANCING - Face masks must be worn by guests except when eating or drinking. We ask that all people in our facility maintain a 6' distance from one another.

FOOD AND BEVERAGE - We recommend that guests serve food in single use, disposable containers, although this is not required.

LIABILITY WAIVER AMENDMENTS

(COVID-19 Safety Acknowledgment -- Liability Waiver and Release of Claims)

While participating in events in the Ark, "social distancing" must be practiced and face coverings worn at all times (except while eating and drinking) to reduce the risks of exposure to COVID-19. Because COVID-19 is extremely contagious and is spread mainly from person-to-person contact, GracePoint Church has put in place preventative measures to reduce the spread of COVID-19. However, GracePoint Church cannot guarantee that its participants, volunteers, partners, or others in attendance will not become infected with COVID-19.

In light of the ongoing spread of COVID-19, individuals who fall within any of the categories below should not engage in events in Ark. By attending an event at the Ark, you certify that you do not fall into any of the following categories:

1. Individuals who currently or within the past fourteen (14) days have experienced any symptoms associated with COVID-19, which include fever, cough, and shortness of breath among others;
2. Individuals who believe that they may have been exposed to a confirmed or suspected case of COVID-19 or have been diagnosed with COVID-19 and are not yet cleared as non-contagious by state or local public health authorities or the health care team responsible for their treatment.

DUTY TO SELF-MONITOR:

Participants and staff agree to self-monitor for signs and symptoms of COVID-19 (symptoms typically include fever, cough, and shortness of breath).

I acknowledge that I derive personal satisfaction and a benefit by virtue of my participation with GracePoint Church, and I willingly engage in an event at the Ark.
