Title: Big Idea: Believe... growing in your walk with Christ is the most important thing in your life for Christ.

Scripture: Ephesians 1:15-19

Main points:

1. Believe growing in our relationship with Christ matters and is to be prioritized.
2. Believe knowing your relationship status with the Holy Spirit matters and is to be prioritized.
3. Believe experiencing growth in your walk for God's glory matters and is to be prioritized.

Icebreaker:

- (1) What is one gift that you were super excited about receiving and then you ended up never playing with it again because it broke or you got tired of it?

Discussion questions:

- (2) Do you feel Jesus is your number one priority? What are some practical ways we can put Jesus over other priorities like school, sports, instruments, etc?
- (3) What is your relationship status with the Holy Spirit? What questions do you have about the Holy Spirit?
- (4) What is one way you saw the Holy Spirit help you become/act like Jesus this past week? What is an area of sin or temptation you would like the Holy Spirit to help you overcome? Be specific.
- (5) How's life? Share any struggles from the week.
- (6) Prayer requests & devotional accountability - what can we do this week to grow in love with Jesus? Bible plan? Prayer support?
