Our Mission

To make disciples by modeling God's love through serving children and their families

Our Purpose

To provide a Christian environment in which your child develops socially, emotionally, physically, academically and begins to understand what it means to have a relationship with Jesus.

Our Goals

- to provide a warm, nurturing and happy place for each child's first school experience
- to give each child a great joy for learning
- to instill in each child a positive self-image and learn to be responsible for his or her own needs and desires

Red Room * *Blue Room
Green Room* *Afternoon Program

Miss Anne & Miss Katrina teach our **Red Room** Class of 3 year olds. As we learn new things, we also begin to understand following directions and sharing with others.

Miss Lesli & Miss Whitney teach our **Green Room** Class and **Miss Meade & Miss Emily** teach our **Blue Room** Class of Pre-K students ages 4 and 5. As we learn exciting new things, we are preparing for the challenges of Elementary School.

Miss Sam & Miss Pat teach the afternoon program combining all ages of full time students. The afternoon builds upon the concepts and lessons introduced in the morning Enrichment programs and allows for additional time to socialize with friends.

All prices are for a full month and are divided evenly over 10 or 12 months, depending on whether your child is Fulltime or Enrichment./Enrichment Extended
