CONVERSATION

God Created Animals

BASED ON GENESIS 1:20-25,30-31

WEEKLY VERSE: God saw everything He had made, and it was very good.
Genesis 1:31

LIFE POINT: God made animals.

God had made a wonderful world. He created day and night. God made the sky, water (oceans), and dry land. He made plants, trees, and grass to grow on the land. He made the sun to shine during the day and the moon and stars to shine at night.

Then, on the fifth day, God said, “Let the waters be filled with living animals, and let birds fly in the sky.” God created every kind of fish and every kind of animal that lives in the water. He made all kinds of birds to fly in the sky.

On the sixth day, God made animals to live on the land. He made all the wild animals, farm animals, and animals that crawl on the ground.

God planned for the birds and animals to have food to eat. They would eat the plants that grew in the ground. God looked at the world He had made. It was all very good.

THE BIBLE MEETS LIFE

Parents, today your child heard that God made animals. After creating the earth and providing a source of food, God spoke all the animals—birds, fish, and land animals—into being.

LIVE IT OUT

Review today’s Bible story with your preschooler. Help her think of some of the animals God made on days 5 and 6. Name some categories such as farm animals, water animals, zoo animals, forest animals, and so on. Lead your child to thank God for animals.
