Six months into 2021, life and ministry are full here in Tampa. On a personal note, Cammie and I are incredibly grateful for a year of hard work and extra sacrifice from our children's teachers and schools in order to provide high quality education amidst the ongoing COVID challenges. Together with health care workers, teachers and administrators around the country deserve our gratitude and support for all they have been through.

V3 Ministries continued to expand in the last year and I am particularly excited about three areas where God continues to open doors.

V3 Chapel

Chapel is home base for V3's ministry in Tampa and beyond. Each week we meet together for teaching, communion, prayer and fellowship. Here is our monthly Chapel schedule:

First Sunday Dinner - A chance to break bread, enjoy life together and share in ministry together.

2nd and 3rd Sundays - Word + Sacrament - On these nights, Word and Sacrament are the centerpiece. Right now we are walking through the book of Ephesians.

4th Sunday - Worship + Prayer - The 4th Sunday of each month provides an opportunity for us to turn our vision up together with corporate worship and prayer.

5th Sunday VO Ops - Beginning this fall, we will set aside 5th Sundays to share God's love with our neighbors and our city. These will be wonderful opportunities to serve alongside one another celebrating the good, suffering with the broken and participating in the future.

UPCOMING SCHEDULE FOR V₃ CHAPEL:

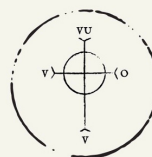

AUGUST 1 - FIRST SUNDAY DINNER

AUGUST 8 - WORD + SACRAMENT

AUGUST 15 - WORD + SACRAMENT

AUGUST 22 - 4TH SUNDAY - WORSHIP + PRAYER

V3 Community of Practice

Special thanks to Karl Messenger and Jerome Milner for their work in establishing V3's Detroit Community of Practice. These communities offer Pastors and Elders safe places where they can find rest, receive encouragement, build trusted friendships and deepen relationship with V3's ministry team. God has produced so much fruit through these communities already and we can't wait to see what He has in store as we expand areas of ministry in the year ahead. Please continue to pray for our Tampa and Detroit COPs.

LAB: The Podcast

Beginning this August, LAB: The Podcast will be recording and releasing episodes weekly! The Podcast continues to create space to pursue and explore the life and beauty of the gospel together. In the year ahead, we will be expanding our format to include more opportunities for me to share as we learn and grow in our work to share the life and beauty of the gospel with the world. And....drumroll please....we will be back at Buddy Brew once a month to record an episode LIVE from Kennedy! We can't wait to be back and hope to see you there!

Notes from our Team:

Pastor Jerome Milner

I have seen God move in some amazing ways. In our Detroit Community of Practice, there has been a need for community and continuity among pastors and I believe we provide that. One of the pastors up there said, "This has been extremely restful," which is what we hope to create. We want Pastors to experience rest, encouragement, accountability and deep friendship, which only happens through building trust and I've seen glimpses of that foundation developing.

As one of the pastors for Redeemer City Church (our V3 church), I get the chance to implant V3 DNA. I've seen the fruit of that from not only their vernacular shifting (Vision up, in and out) but living long, slow, deep, spontaneous baptisms, and living out the mission. Much more to come.

Erin Milner

Hello everyone! As Ministry Support Coordinator for V3 Ministries, I have had the privilege to work alongside an amazing and growing team by assisting them in the various ways that God is working in this city. From Sunday night Chapel to church leadership roles and fun events like the Gratitude Event, I have been able to witness God's goodness of Him bringing people together and building deep, meaningful relationships. But most impactful for me personally is the family we have become a part of at Redeemer City Church and the growth I have witnessed in the church body there. I even got to witness my daughter Selah be baptized by Jerome last month! It is such an amazing experience to see her grow in her faith and actively seek out baptism to profess her love of God and her salvation through Jesus. We have so much to be thankful for! We are so grateful for all the prayers that sustain this important work.

Thank you for all your love and support!!

Love,
Erin Milner

Ashley Williams

This month I got the chance to help put on our 3rd Annual Gratitude event. Since officially joining the team during Covid, I have not had the chance to meet a lot of our affiliate pastors and their spouses in person. A lot of the communication I have had with some of these people has been via email. It was so nice to be able to get the chance to put some faces to the names I have heard so much about. The event was wonderful! It was amazing to see how God has woven us so tightly together and getting the chance to learn how everyone is connected. Everyone was so welcoming, it truly felt like I had known everyone for years. I ask that you join in prayer that God will continue to provide me the wisdom as I take on this new role with V3 and that He will continue to light our path and open doors and provide the resources as our team grows. It is incredible to watch God placing more people with the heart and desire to want to help us share the life and beauty of the gospel. I am excited to be part of this team and even more excited to see what God has in store for us.
