UN-COVER ENCHANTED REALITY

VISION UP | VISION IN | VISION OUT

Our culture continues to suffer from an acute crisis of meaning and a widespread loss of connection. The pain resulting from this suffering is all around and felt increasingly by young women and men between the ages of 18-30 as they begin navigating the terrain of a culture drained of spiritual significance.

ZACH ELLIOTT
FOUNDER /
EXECUTIVE DIRECTOR

This pain and longing that accompanies it keep us up at night. Our team is deeply considering the link between our disenchanted age and the connection to a disembodied faith. We have much more to learn but we know this with certainty; disembodied faith only leads to further disenchantment. But here is the silver lining in that dark cloud; the faithful presence of embodied faith uncovers enchanted reality everywhere it is found.

For years we've said "it's only true if it's true," and so right now our growing V3 team in Florida is learning to nurture embodied faith. As I said in our last newsletter, we believe the next season of V3's ministry is the most significant yet. We are encouraged by the doors God continues to open, the focus and clarity He has provided, the incredible team He is bringing together in Tampa and by each of you who are partnering with us in the gospel.

On behalf of our Board and the V3 team, I want to thank you for your love, your prayers and for "bringing what you have" to allow us to boldly step through the doors that God has opened for V3.

May Christ be magnified in our lives and our life together. Here is to nurturing embodied faith and uncovering enchanted reality!

IHS,
Zach

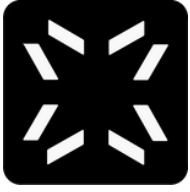

CAMMIE ELLIOTT
MINISTRY DIRECTOR

This spring has brought about some incredible moments. The biggest and most beautiful moment to share was the day all 4 of our kids were baptized together as the sun set over Tampa Bay. Bella, Holland, Olivia and Jude had come to us individually over the last few months and expressed their desire to be baptized. We praise God for their decision and His faithfulness to each of our children.

Notes from our Team:

Megan Turnquest

V3 Chapel Worship Director

It has been one of the greatest honors to serve on the V3 team. I always knew that God had called me to ministry, but I didn't know what it would look like. When I first connected with V3, it was evident that this is where God wanted me. The surrendered heart of each team member/the dedication to Jesus as the vision was a breath of fresh air. I started leading worship for chapel services and it has been a true joy, but recently, I also had the opportunity to preach on 3/13 and 5/8. It was even more confirmation for me that this is the call that God has placed on my life, and I am forever grateful to V3 for affirming that call. I look forward to all that God will continue to do through this ministry. Vision up!

Ministry Support

It has been exciting to watch how much V3's team has grown in the last year. Everyone has something special and unique to bring to the table and I feel so grateful to serve alongside every one of them. Thank you to everyone who supports V3. I look forward to continuing to watch the vision come to life.

Lead Conservatory Artist

The V3 Worship Ministry Leadership team is diving into a book together called "Ancient-Future Worship" by Robert Webber. One of the opening themes in the book is that worship is "being about God's story." It is easy in today's culture to be about our own story and worship from a "self" centered focus. Webber challenges the reader to draw from the ancient story of God and His work in the world and to connect them with where He is leading His people. If you are interested in knowing more about what we are reading, I strongly encourage you to get ahold of the Webber Book.

We would love to have you join us for worship on the 4th Sunday of every month at V3 Chapel!

Riley Cooper

Sound, Media & Recording Technician / LAB: The Podcast Producer

I'm not very good with writing or speaking so you don't hear from me too much but there's so many big wins I'm dying to share with you! If you don't know me, I'm Riley Cooper and I handle all of V3's production and technical needs as well as producing LAB: The Podcast. What's crazy is May is my one year on staff with V3!

Will you celebrate with me our new hires on our production team?

Elias Fermin handles our Event Logistics. Elias is 19 and goes to University of South Florida. Go Bulls! Elias has been a huge addition to our team. From helping move equipment around and setting up for different events, to helping with chairs and tables. He has been a blessing to V3.

Palmer Clarkson is our Content Creator. Palmer is 25 years old and owns his own coffee company called Headway. He has a big passion in video work and is looking forward to helping create more content. His main focus currently is on LAB: The Podcast.

This brings me to share with you that we had a donation given specifically to fund video equipment to elevate LAB: The Podcast, V3 Chapel and other events. I am so grateful for God providing the resources to acquire this gear. It is such a blessing to have amazing quality gear that is going to help us share and reach so many people with life and beauty. Thank you so much to those of you who donated and helped provide this equipment. We can't wait to show you some amazing content.

Speaking of showing you amazing content....LAB: The Podcast is proud to announce we have video episodes of our live podcasts from this year! All of our content has gone LIVE on YouTube! (Search V3 Ministries) This includes guests like Dr. Mike Metzger and his wife Kathy. How can you watch? Check out our YouTube page and our V3 app to watch our video episodes. Stay tuned for videos and content of LAB: The Podcast. How can you support us? Like, share and help us promote our YouTube channel and app!

Thank you to every single one of you who helps support VUVIVO Ministries. This has been an amazing start to the year and I can't wait to share with you! Talk to you soon!

Thanks,
Riley

GRATITUDE EVENT

Friday, May 13, V3 gathered Pastors and their spouses for the Annual Gratitude Event. This year, Pastor Benjamin NeSmith from Element Church was the recipient of the 2022 James Reyley Gratitude Award - Among Us as One Who Serves. Pastor Benjamin & Erin, thank you for the ways you serve the body at Element and beyond. V3 is grateful for you!
