RELATE

God is Redeemer! He loved us so much that He sent His Son to right our wrongs and pay the price to buy back what was lost so that we could be back in relationship with Him. God made a beautiful world, and He is continuing to redeem that world today. How do you want to respond to God today? Let's celebrate our God who redeems all things.

Using their white crayons, encourage kids to write personal responses to the fact that God redeems. They can write prayers of thanksgiving or words of praise to God. They can draw images of what they've heard today. Once kids are done, have them cover their white crayon by lightly shading over it with a colored crayon. Underneath the colored crayon, the white crayon will express their responses to the fact that God is Redeemer.
