

Craft Leaping Lame Man

IDEA: **Crafty Cut-out**

Supplies: Paper with lame man outline will be provided.

Lame-man instructions:

- 1 Accordion fold horizontally from the bottom up to the middle fold line with the folded part to the back of the picture.
- 2 Fold paper in half so figure is on one side.
- 3 Cut out the figure from the head down to the leg. Cut out the triangle on the inside leg. Be sure to cut through the accordion fold.
- 4 Unfold the figure holding the accordion legs in the back. When you get to the part where Peter takes the man's hand and helps him up, unfold the legs from the back to show the man is healed.
- 5 Make the man jump up and leap!

This is adapted from Snip and Tell Bible Stories by Karyn Henley.

After creating your man you can retell the story.
You may want to sing the song
Silver and Gold Have I None
and have the man walk and leap and praise God!

Here is a link to the song:
Silver and Gold Have I None
