

**Santa Clara County has moved from the
Red to Orange Tier**

10/14/2020

Dear Family,

Our county has adjusted guidelines for gatherings and Willow Glen Bible Church is excited to accommodate up to 100 folks at our live, outdoor Sunday service this week.

As we learn and do it well, we will look toward increasing that number in the coming weeks.

In preparation for increased presence on the campus, we will have two Beautification Days, Saturdays, October 24 & November 7, 9-5. We need your help with painting, stripping wallpaper, and general cleaning. Please help us prepare the inside of the building for use (by small groups initially). We would so appreciate your help and support!

You will be wearing masks and practicing social distancing as you serve. Join us as we prepare to regather!

In other news, the Sunday Conversation · Adult Elective Classes, will move to 9am each Sunday continuing online. Join us this Sunday as the Listening series continues.
