

**Because I want God's favor on my finances, I will make these changes:**

- ☐ Invest in my spiritual growth through weekly worship, Bible study and service.
- ☐ Manage my God-given resources in God-honoring ways.
- ☐ Take the 90-Day Tithing Challenge or continue to be a biblical tither, giving 10 percent or more of my income in 2021.
- ☐ Join a Financial Peace University class and take steps to get out of debt.
- ☐ Make a difference by generously giving my time, talents and financial resources in consistent, systematic ways, showing that God is first in my life.

Many people find that setting up recurring gifts online enables them to give more consistently.
