

Tell how God spoke to you from the reading this week. Personal highlights.
(Tip: this is to help us to consistently get into the Word.)

Go over sermon highlights, and how God spoke to you.

Watch the Week 5 video teaching together (take notes and answer the questions in your journal).

Before we hit the discussion questions, what did you get from the video teaching?

What might you apply immediately or over time?

Let's look into the Discussion Questions:

What does it say about Jesus that he took the time to converse with her?

How do we take people to the whole truth about Jesus from the little that they already have heard about Jesus? Share a story of a time you did or how you might do so.

What is your favorite part of this whole dialogue?

What is God looking for out of worshipers?

Did Jesus command her to go and tell others about Him? Why did she?

What good example can we imitate from this dear lady?
