

Tell how God spoke to you from the reading this week. Personal highlights.  
(Tip: this is to help us to consistently get into the Word.)

Go over sermon highlights, and how God spoke to you.

Watch the Week 7 video teaching together (take notes and answer the questions in your journal).

Before we hit the discussion questions, what did you get from the video teaching?

What might you apply immediately or over time?

**Let's look into the Discussion Questions:**

What have we learned? How often is it that God takes the initiative leading up to salvation?

What if what you believed were not true, would you want to know the truth?

Damascus Road, Straight Street, the Desert Road...what do any of these street names say to us about Christ and salvation?

Where were you when God ruined you? Tell about it.

How did Paul go on to prove that Jesus was the Christ? How can you do the same?
