

OUR CONNECTION MODEL

Here at Converse Church of Christ we desire to provide the best opportunities for people to grow in relationship with Christ and with others. In our attempts to do that we have many different "levels" of connection.

- **Worship-** We offer two distinctly different opportunities for people to worship each Sunday morning and our prayer is that once you have been a part of a worship service you will desire to connect with us more as we grow together in Him.
- **Life Groups-** Are offered on Sunday mornings and are the first place for someone to begin to connect deeper with Christ and with others. A Life Group Participant can expect to be a part of a group that prays for and with them each week. To have an opportunity each week to be a part of an interactive Bible study based off of either the current sermon series or a book of the Bible. A Life Group participant can also expect opportunities to serve and fellowship with each other outside of a Sunday morning.
- **Growth Groups-** Growth Groups will determine for themselves when, where and how often they will meet as well as the topic they study. A Growth Group Participant can expect to connect deeply with 3-5 other individuals or couples as they study relevant material for their lives. They can expect to pray with one another, grow in faith together so they can share the difference that Jesus has made in their lives with others.
- **Discipleship Groups (D-Groups)-** These same gender groups provide accountability and spiritual growth. These groups will meet weekly for a minimum of 6 weeks following the discipleship model and then they will determine themselves how often they meet and what they study.
