

SERVING OTHERS

Another next step for kids to take in their journey of growing as a disciple is finding ways to serve.

Parkway Church loves to have families serve together as a way to grow in this area. When you serve you are showing someone how much they are loved and how God has shaped your life.

UNDERSTANDING SERVING OTHERS

Jesus gave us a simple mission. Serve others as I have served you. True servants don't wait to be asked to help. They see something that can be done and they step up to serve. Jesus doesn't just want us to serve within the church, although if you are committed to Parkway Church you should find a way to serve there first. Jesus wants us to be servants who help people everywhere we go.

HOW CAN I LEAD MY FAMILY TO SERVE?

Serving as a family can be as easy as finding a place within the church where you can serve when you attend. This could be welcoming others, leading a group for kids, working in production ministry, or more. You can add another hour to your church experience and serve together. You can and should also be serving in our communities. We have community partners that meet needs and serve others in the name of Jesus. They would love to have you join them and serve with them. As you make your family's serving plan, use these questions as your guide:

- Why does Jesus want us to serve others?
- What are some ways you can serve at home, in your school, through the church, in our community, across the globe?
- Where do you see a need? What can we do to meet that need?
- Who should we serve?
- When are you done serving?

Serving takes time and energy so don't give up. Keep serving and God will use you.
