

## AUDIO VISUAL MINISTRY LEADERSHIP TEAM CHARTER

### Mission and Structure

#### Gateway Church Identity and Vision

*Identity:* Gateway is a servant community, united with Christ, pursuing redemption in His world.

*Vision:* Being formed in Christ and His love, we will bear fruit and bear witness in every aspect of life.

*Strategy:* Adoration, Formation, Vocation, Connection

#### AV Ministry Leadership Team and Our Identity and Vision

*Strategy Sphere:*

*Adoration:* Removing obstacles so we can worship

*Vocation:* Helping people use their gifts in tech to serve

In his ministry to the gentiles, Paul made every effort (as far as was in his strength) to make the gospel available to those he ministered to (2 Corinthians 6:3-10). Our AV Team is a critical part of removing obstacles to the hope and encouragement of the gospel for our members who are in person or joining virtually. The AV Team partners with the Music & Media Teams in leading the congregation to give worship and adoration to our God and the Teaching Elder in the spreading of the Gospel.

#### Key Aspects and Core Responsibilities

##### Worship Services

- Prayerful recruitment and selection of the technicians who can, in humility, facilitate audio visual aspects of our worship
- Continued care and oversight for our greater team of technicians, including scheduling and training/development
- Maintain software solutions needed for slide presentation and video capture

##### Equipment

- Oversight of all AV equipment including procurement and repairs

##### Collaboration

- Media/Communications MLT - Work together to live stream worship services and record other video projects as needed
- Worship Music MLT - Work together to troubleshoot issues, identify areas of improvement, and/or coordinate practice times

## Audio Visual Ministry Leadership Structure

### Term

Each person on the leadership team commits to serve for 3 years. They can serve a second consecutive 3-year term, but then they take a one-year sabbatical for leading in that area. They can still serve in this ministry, but they need to step off the leadership team for a year. For college students, their terms can be shorter depending on their anticipated graduation. Terms will follow the calendar year, beginning in January and ending in December.

### Facilitator

The Audio Visual MLT leads - the team facilitator serves by helping the team lead. They are the point of contact, and they make sure the team works together and stays on mission.

### Leadership Development

The Audio Visual MLT will be working to grow leaders who understand how to lead with skill, wisdom, and grace. These leaders will come from our whole congregation, so the Ministry Leadership Teams will be composed of young and old, rich and poor, and male and female (Joel 2). Teams and future facilitators will be built in collaboration with the Session every fall so that new leaders can begin in January.

### Team Composition

The Audio Visual MLT is a team of 3-6 active, regular Gateway worshippers. Of this group, one Team Member should be a current student at Grove City College and one should be a current student at Slippery Rock University.
