Key Aspects and Core Responsibilities

Gateway House

- Identification of projects for regular maintenance and improvement, in collaboration with best practices, house residents, ministerial staff, and counseling staff
- Compiling a plan for the accomplishment of such projects
- Requesting and deploying Gateway's resources (skilled and unskilled volunteers, financial, etc) to meet the plan
- Scheduling the house for ministry use and sharing communication for all interested parties (interns, counseling, etc.)

Building Stewardship Ministry Leadership Team Structure

Term

Each person on the team commits to serve for 3 years. They can serve a second consecutive 3-year term, but then they take a one-year sabbatical for leading in that area. They can still serve as a volunteer, but they need to step off the leadership team for a year. For college students, their terms can be shorter depending on their anticipated graduation. Terms will follow the calendar year, beginning in January and ending in December.

Facilitator

The Building Stewardship MLT leads - the team facilitator serves by helping the team lead. They are the point of contact, and they make sure the team works together and stays on mission.

Leadership Development

The Building Stewardship MLT will be working to grow leaders who understand how to lead with skill, wisdom, and grace. These leaders will come from our whole congregation, so the Ministry Leadership Teams will be composed of young and old, rich and poor, and male and female (Joel 2). Teams and future facilitators will be built in collaboration with the Session every fall so that new leaders can begin in January.

Team Composition

The Building Stewardship MLT is a team of 3-6 active, regular Gateway worshippers. Of this group, one Team Member should be a current student at Grove City College and one should be a current student at Slippery Rock University.
