

ONE SAVIOR CHURCH

One Savior Church,

We know living a wholehearted life of faith in a complex world is hard, but it's what God made you and I to do. We get to do that together here, in Effingham County, and now in this unprecedented moment.

Let's turn to our first steps forward. In a situation where the church, and society as a whole, is being pushed further apart personally, we are going to err on the side of relational interaction.

As we go forward, know that what we start with doesn't need to be what we stick with. There is no playbook here; we are in unprecedented waters and will need to adapt together as we go. As long as we have unity in purpose, we can work out the details.

So this Sunday, March 22, 2020:

- At 9:30am, you will receive an email with the Kids Curriculum for families, a song lyric pdf, and a link for a Zoom call.
- At 11:00am, we will have a Zoom call that everyone is welcome to join. It will include prayer, scripture reading, ministry updates/announcements, a brief message from me, and a Q&A.
- Shortly after the end of the call, we will hopefully be able to upload the recording of the call to YouTube.

If you have not already downloaded Zoom on your computer or phone, you will want to [download it in advance](#).

In the meantime, please don't hesitate to contact the elders or your Community Group leader for any prayer or practical needs.

I pray that God, the source of hope, will fill you completely with joy and peace because you trust in him. Then you will overflow with confident hope through the power of the Holy Spirit. --Romans 15:13
