

Small Groups

House Groups

Our house groups are studying the book of Philippians for the first 2 months, looking at how we can become better followers and imitators of Jesus in our daily lives. There will be 2 groups meeting weekly:

Mondays, 6:30-8PM @ the Vaupel's – 1923 Stowe Ave, Arden Hills

Tuesdays, 6-7:30PM @ the Smiths' – 1275 Shryer Ave, Roseville

For this season, we will be using a 3 week rotation – All meeting together one week, women meeting the next week, and men the next. Childcare will be available the nights when the whole group is meeting together.

The 8:47

Our Sunday morning Small Group meets at 8:47 on Sundays at Hope Grove. This time will be spent growing in our understanding and application of the Bible through a series called 'How to Read the Bible.' It may sound simplistic, but when it comes to studying such a complex compilation of texts that work together to tell a unified story of hope and restoration, there's a lot more to learn no matter how long you've been studying it. There will also be options for kids during that time, so please consider joining us.
