

**What are my options for in-person worship at CEFC?**

Beginning on February 14, we are resuming in person worship at 9:00 and 10:45 AM at both our Carlisle and Mount Holly campuses. At Carlisle, you will have the option of worshipping in the Gathering, or in the Worship Center.

**How long will the service be, and what will it be like?**

The service will last approximately an hour and will include singing, prayer, a message, and announcements. If you have been to CEFC before, they will look a lot like they usually do!

**Does everyone have to wear a mask?**

Yes, we are requiring masks at all times inside the building. We will have this mask requirement for a season, and we pray it is a short season. We understand not everyone will agree with this decision, but we want to do everything we can to avoid having to pause in person services.

**Do I need to sign up in advance?**

Yes, you will need to sign up via our [website](#) or the app to attend in-person worship. This helps us plan and it is quick and easy, so don't let it deter you! Sign ups for a Sunday service will open at noon on the Sunday prior beginning on February 7. Out of respect for your privacy, we do not share sign up records or information with others.

**Will I need to check in once I arrive?**

Yes, so please allow an extra minute or two to check in with one of our friendly volunteers! Checking in helps us make space for everyone while maintaining our social distancing.

**How do I sign up?**

You can sign up on our [website](#) and app starting on February 7. You can also join a [mailing list](#) that will email you this link every Sunday when its time to sign up.

**What about Student Ministry and Kids Cove?**

Both ministries will also be resuming.

**Do I need to allow time to check in?**

Yes, please allow a little extra time when arriving on Sunday to be checked in and find your seat in the venue you are attending.

**Will the Service still be streamed?**

Yes! We will be streaming both services on [Facebook](#), [YouTube](#), and our [website](#). The service will also be available for viewing afterwards on our YouTube channel.
