

Church Family,

We have been closely following updates from the Centers for Disease Control and Prevention (CDC) regarding the spread of Coronavirus (COVID-19), and **we will gather online only for the next 2 Sundays (3/22, 3/29).**

You can join us on our Jenks Church Facebook page, our website (jenkschurch.org), or in the Jenks Church app.

We know this virus is primarily spread through close contact, and we are committed to helping you and your loved ones stay healthy. So in addition to Sunday gatherings, we will also postpone any events and classes scheduled for the remainder of March.

We will continue to monitor the situation and hope to resume normal gatherings at campuses as soon as possible. As the situation changes, we'll use all our resources to share any updates about the effect of coronavirus on our gatherings.

The CDC has lots of information to help you be proactive and stay healthy. When fear and anxiety move into our hearts, remember that God has not given us a spirit of fear, but of power, love, and self-control ([2 Timothy 1:7](#)).

The peace that Jesus carried He gave to us ([John 14:27](#)). So, let's continue to be wise in caring for our families, to trust that God is in control, and to pray for peace and healing in our communities.

Our leadership team (staff and elders) is committed to continuing to love, encourage, and support you during this time of physical separation. So be expecting some calls and texts. Then, make sure you are doing the same to others around you. Together we can show God's love to a world overcome with fear and anxiety.

Dave for the entire Jenks Church Team
