5. Due West has been an incredible preschool. My son has a late birthday and has flourished in the young 5s program. He knows all of his phonics and is reading! He will be more than prepared for kindergarten. My 3 year old asks to go to school every day and this is coming from a child who usually wants to be with mom. I wouldn't send my children anywhere else. We love this school and are 100% satisfied.
6. Due West has been absolutely fantastic. My daughter is so excited every day to go to school. The staff is amazing and cares so much about the kids. I have been to other schools and am so impressed with every aspect of this school. One additional comment: in previous schools my daughter was always sick. Due West is clean! She has not missed a single day due to illness. This cannot be said for previous schools we have been enrolled in. Fantastic job! I would recommend this school without hesitation!

The staff always greets our child with a smile and by name. Our child always wants to go to preschool and that make us feel good.
22. Due West is the only school in West Cobb that I recommend to people who have recently entered the community.
