Volunteers needed for Overnight Shelter ministry

Men **who are** experiencing homelessness and part of the New Creations program have been getting a hot meal and a place to sleep every Saturday night thanks to Christ Lutheran church volunteers. There are 7 churches that cover the April through October months and we are home to these men every Saturday night from 7pm-7 am.

This is one significant way we as a church change lives as we serve **our** neighbors for **Jesus'** sake.

The men's shelter team is always willing to train new volunteers and support them. If someone only volunteers once in the 6 months, it makes a big difference.

Our greatest need right now is the 2:30-7:00 shift. We currently have July 2 and July 9th without coverage for that shift. This is a quiet shift so many who give up sleep also catch up on projects like reading, sewing, answering emails, etc.

We have two other shifts: intake shift from 6:30-10 and first overnight shift from 10-2:30am.

The shelter leader team is so grateful to be able to say that intake and 10:00 o'clock shifts are fully covered through July 30. But we still have several months to go. If you're far enough along in your summer planning to consider August, please let us know or jump right in and sign up on the app.

Many meal dates are open in July and August too.

The links to use for signing up are on the CLC app and below:

To sign up for supervision shifts, both intake and overnight:

<https://www.signupgenius.com/go/10c0e49abaa2aaaf9c25-shelter>

To sign up for a meal:

<https://takethemameal.com/DNZU3411>

The truly easiest, fewest-clicks way to reach these sign ups is via the CLC app. You can find it at the App Store by searching Christ Lutheran Valparaiso. You'll recognize our new logo. Once you have the app, select 'Adults' on the home page, then select 'Service.'

Once on the overnight **Sign Up Genius**, you will notice the first shift intake, 6:30-10, and as you scroll you see all the Saturdays we host the men through Oct 15th. The next section as you scroll is the 10:00-2:30 shifts through Oct 15 and lastly 2:30-7:00 time slots are listed. Keep scrolling down to find the shift and date you want to volunteer.

If you need help or never volunteered before and want to learn more, please contact us directly.

CLC Social Ministry and Mission

July 2022

Each month the Social Ministry highlights a special giving opportunity with July's emphases to provide monetary support for 1- **ELCA's Global Missions' Selian Lutheran Hospital in**

ELCA Global Mission

Tanzania Africa and 2- AMOS, “A Mission of Service” in Guatemala/Honduras.

Selian Hospital, in Arusha, Tanzania <http://selianlh.or.tz> (founded by Mark – who passed away in 2022 - and Linda Jacobson) continues to thrive under local African leadership. CLC is designated as an ELCA missionary partner congregation and continues to support Selian in their ministry of “providing competent and compassionate medical care, promotion of community health programs and proclamation of the Gospel of Jesus Christ.”

ELCA's Global Mission nurtures the ELCA's world engagement through the theology and practice of accompaniment by walking together with our global companions. Our work together has a multi-faceted approach to mission, from sending missionaries and personnel, to offering grants and scholarships designed to strengthen global church leadership and to support the ministries of companions. <https://www.elca.org/Our-Work/Global-Mission>

An AMOS <https://www.facebook.com/amissionofservice> ministry team, including CLC's Gail Mannington (Board member and Treasurer), recently returned from a Medical Mission trip to Esquipulas, Guatemala. On each trip AMOS provides medical clinics, speech pathology services and education to remote mountain villages surrounding Esquipulas and Copan, Honduras where residents have limited/no access to medical care.

During each trip the team sees and treats hundreds of patients in five clinic days and, the needs are voluminous. AMOS raises funds to purchase the prescription medications, ointments, vitamins to provide to this population and also collects over-the-counter medications for the mission team to take with them (CLC members have donated hundreds of pounds of over-the-counter medical items).

Help achieve our goal of \$2500 in July (over and above giving combined with CLC's \$1200 budgeted amount). By achieving our goal CLC will help **Selian Hospital** and **AMOS** continue mutual support and service activities that are crucial to effective ministry. Use your weekly worship envelope mailed in with check to CLC and indicate “Selian/AMOS” or contribute through PushPay on the CLC website <https://clcvalpo.org> via the “Give” button (choose Soc. Min.Emphasis option). Thank you for supporting monthly social ministry emphases.

Dear Fellow Members of CLC:

Thank you for being a part of Christ Lutheran Church, a church that changes lives within our congregation and within our community. I am writing to make you aware of a proposal to amend the constitution of our congregation.

Did you know that our Little Lamb Preschool (LLP) is the largest ministry of the church? Each year Little Lamb touches the lives of over 140 preschool children and their families, providing a loving and nurturing environment in which the children learn and grow. Little Lamb is one of the most sought after preschool programs in the area because of the quality of our teachers, facilities, and curriculum, a distinction only made possible by the tireless efforts of the Little Lamb Board of Directors, the preschool director Jen Gottlieb, and the support and prayers of our congregation.

Given the importance of LLP, it may surprise you to know that the preschool has no official recognition on the Congregation Council. The LLP Board Chair is required by the LLP Constitution to attend council meetings, but they cannot vote. LLP thus has no official say in directing the funds, resources, and policies of the congregation to which it is subject.

Consequently, at the March 8, 2022 meeting of the Congregation Council, the members of the Executive Committee of the Council formally proposed an amendment to the constitution of the church that would add the Little Lamb Board Chairperson to the voting membership of the Congregation Council. The proposed amendment is available in the archive of the reports of the Congregation Council or can be obtained by request (email Jen Bias jen.bias@clevelandpo.org or me luke.venstrom@valpo.edu). The Congregation Council voted unanimously to support the proposed amendment.

When the Council approved the proposed amendment, it took the first step in a series of steps required to ratify the amendment. The next step is for the congregation to convene at a special meeting to agree to formally consider the amendment. If a simple majority vote in favor of the amendment moving forward, the congregation formally recognizes that it is entering into a review period. The review period lasts until the annual meeting in November, at which time the congregation votes to ratify the amendment. A two-thirds majority is required for ratification.

By the authority vested in the president of the congregation in section C10.02 of the constitution, I am calling a special meeting of the congregation for the purpose of voting to formally consider this amendment. **The special meeting will be held on August 21, 2022 during the faith formation hour. Please mark this date on your calendar and plan to attend.**

Should you have any questions or concerns regarding the proposed amendment, please feel free to contact me or other members of the Congregation Council.

Sincerely,

A handwritten signature in black ink that reads "Luke J. Venstrom". The signature is written in a cursive, flowing style with a long horizontal line extending from the end.

Luke J. Venstrom
President of the Congregation
