CLC Social Ministry and Mission

July 2022

Each month the Social Ministry highlights a special giving opportunity with July's emphases to provide monetary support for 1- **ELCA's Global Missions' Selian Lutheran Hospital in Tanzania Africa** and 2- **AMOS, "A Mission of Service" in Guatemala/Honduras.**

ELCA Global Mission

Selian Hospital, in Arusha, Tanzania <http://selianlh.or.tz> (founded by Mark – who passed away in 2022 - and Linda Jacobson) continues to thrive under local African leadership. CLC is designated as an ELCA missionary partner congregation and continues to support Selian in their ministry of “providing competent and compassionate medical care, promotion of community health programs and proclamation of the Gospel of Jesus Christ.”

ELCA's Global Mission nurtures the ELCA's world engagement through the theology and practice of accompaniment by walking together with our global companions. Our work together has a multi-faceted approach to mission, from sending missionaries and personnel, to offering grants and scholarships designed to strengthen global church leadership and to support the ministries of companions. <https://www.elca.org/Our-Work/Global-Mission>

An **AMOS** <https://www.facebook.com/amissionofservice> ministry team, including CLC's Gail Mannington (Board member and Treasurer), recently returned from a Medical Mission trip to Esquipulas, Guatemala. On each trip AMOS provides medical clinics, speech pathology services and education to remote mountain villages surrounding Esquipulas and Copan, Honduras where residents have limited/no access to medical care.

During each trip the team sees and treats hundreds of patients in five clinic days and, the needs are voluminous. AMOS raises funds to purchase the prescription medications, ointments, vitamins to provide to this population and also collects over-the-counter medications for the mission team to take with them (CLC members have donated hundreds of pounds of over-the-counter medical items).

Help achieve our goal of \$2500 in July (over and above giving combined with CLC's \$1200 budgeted amount). By achieving our goal CLC will help **Selian Hospital** and **AMOS** continue mutual support and service activities that are crucial to effective ministry. Use your weekly worship envelope mailed in with check to CLC and indicate “Selian/AMOS” or contribute through PushPay on the CLC website <https://clcvalpo.org> via the “Give” button (choose Soc. Min.Emphasis option). Thank you for supporting monthly social ministry emphases.

It's that time of year again - time to go back to school and to collect school supplies for Lutheran World Relief.

School Kits for Lutheran World Relief are an important lifeline for learners all around the world. As you purchase school supplies for your children, think about choosing supplies for others. There is a basket in the Gathering Space for donations, or you can purchase from an Amazon wish list and choose to have the items delivered directly to the church.

There are a variety of suggestions on the list, with some items in bulk. The items listed are only suggestions; you may be able to find cheaper items as the inventory changes. We will be collecting items through mid-October. The link to the Amazon wish list can be found by searching Amazon lists for "CLC School Kit," or by clicking the link below.

While there are a few more items that will go into each school kit, because of an overwhelming response last year, we will not need to collect pencils, pencil sharpeners or erasers. This year we need the following to complete the kits:

FOUR 70-sheet notebooks of wide- or college-ruled paper, approximately 8" x 10 ½"
(LWR cannot use loose-leaf paper)

ONE 30-centimeter ruler, or a ruler with centimeters on one side and inches on the other

ONE pair of blunt scissors (safety scissors with embedded steel blades work well)

FIVE black or blue ballpoint pens (no gel ink)

ONE box of 16 or 24 crayons

Gathering supplies with your children as you prepare for returning to school is a great way to remind yourself and them that we need to continue to love our neighbors, near and far. It helps us all remember that God's love is everywhere! Thank you for your support!

Dear Fellow Members of CLC:

Thank you for being a part of Christ Lutheran Church, a church that changes lives within our congregation and within our community. I am writing to make you aware of a proposal to amend the constitution of our congregation.

Did you know that our Little Lamb Preschool (LLP) is the largest ministry of the church? Each year Little Lamb touches the lives of over 140 preschool children and their families, providing a loving and nurturing environment in which the children learn and grow. Little Lamb is one of the most sought after preschool programs in the area because of the quality of our teachers, facilities, and curriculum, a distinction only made possible by the tireless efforts of the Little Lamb Board of Directors, the preschool director Jen Gottlieb, and the support and prayers of our congregation.

Given the importance of LLP, it may surprise you to know that the preschool has no official recognition on the Congregation Council. The LLP Board Chair is required by the LLP Constitution to attend council meetings, but they cannot vote. LLP thus has no official say in directing the funds, resources, and policies of the congregation to which it is subject.

Consequently, at the March 8, 2022 meeting of the Congregation Council, the members of the Executive Committee of the Council formally proposed an amendment to the constitution of the church that would add the Little Lamb Board Chairperson to the voting membership of the Congregation Council. The proposed amendment is available in the archive of the reports of the Congregation Council or can be obtained by request (email Jen Bias jen.bias@clcvalpo.org or me luke.venstrom@valpo.edu). The Congregation Council voted unanimously to support the proposed amendment.

When the Council approved the proposed amendment, it took the first step in a series of steps required to ratify the amendment. The next step is for the congregation to convene at a special meeting to agree to formally consider the amendment. If a simple majority vote in favor of the amendment moving forward, the congregation formally recognizes that it is entering into a review period. The review period lasts until the annual meeting in November, at which time the congregation votes to ratify the amendment. A two-thirds majority is required for ratification.

By the authority vested in the president of the congregation in section C10.02 of the constitution, I am calling a special meeting of the congregation for the purpose of voting to formally consider this amendment. **The special meeting will be held on August 21, 2022 during the faith formation hour. Please mark this date on your calendar and plan to attend.**

Should you have any questions or concerns regarding the proposed amendment, please feel free to contact me or other members of the Congregation Council.

Sincerely,

Luke J. Venstrom
President of the Congregation
