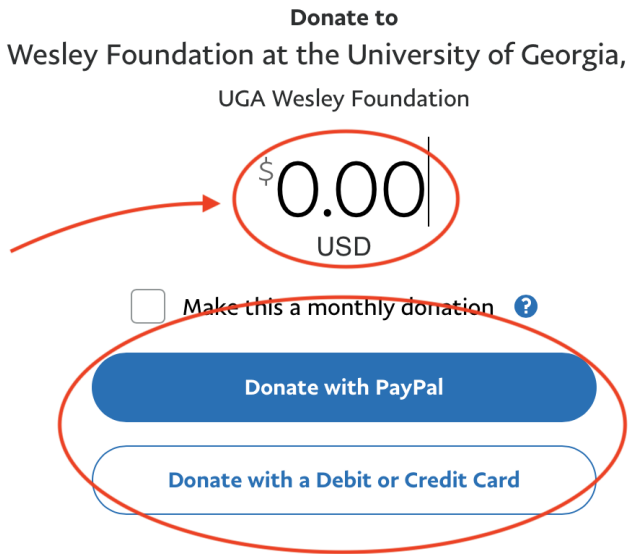
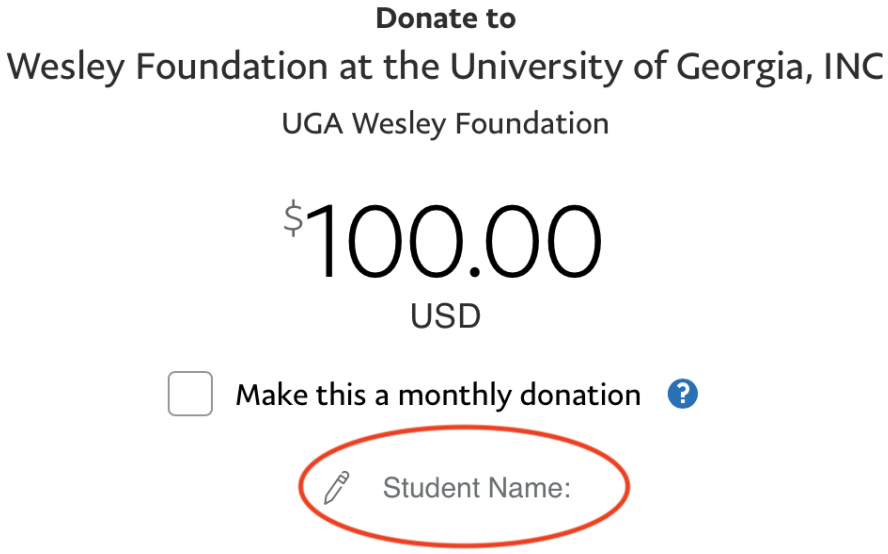
How to get online donations the RIGHT way

1. Go to www.ugawesley.org. Click the "Give" tab, and then select "Missions Giving."
2. Click "Make a donation"
3. Enter the amount you would like to donate, then either click "Donate with Paypal" or "Donate with a Debit or Credit Card"
    a. NOTE: Paypal takes a 3% fee out. Please take that into consideration when donating.



4. Then a field will appear that says "Student Name." Please write "Student's Name - Trip Name" in that field. Example: "Daniel Simmons - Jamaica"



5. Enter card details and click the "Donate Now" button on the bottom right of the page. Boom, you are done.
