I was onsite for about five minutes and remember thinking to myself, “I drove seven hours for this?!”

It was Monday morning, July 10, 2023, and I was standing at the rear of a single-family ranch home in Guyan Valley, West Virginia. I, along with a gaggle of youth and a handful of adults were here to serve a family in need as assigned by the Appalachia Service Project. At this site, half of our team was going to repair siding, while the other half – my half – of the team was tasked with installing a French drain system.

This home literally butted up against a steep mountainside. The water runoff from this 70-ish degree slope would flow down the mountain and wash out the dirt along the home’s foundation. Additionally, water would pool behind the home, and left it a soggy, mucky, stinky mess.

I walked the length of the house, traversing the swampy water, almost reaching the other end when my foot sunk into slimy mud, up and over my boot. As I pulled my foot upwards and heard the sucking noise of the mud, I could feel my blood pressure rise. I packed all of my carpentry tools – I even bought a new tool belt with suspenders – along with years of amateur experience, and none of it would be used on this trip. “I drove seven hours for this?!”

Fast forward five days from that moment and I couldn’t have been in a more opposite mental state than I was on Monday. The six middle school boys, along with a couple of high school girls that would occasionally break away from their siding duties, installed a one-hundred-foot-long French drain that would make Henry Flagg French proud (American inventor of French drain in 1859).

Pickaxes, garden hoes, shovels, and wheel barrels, along with a lot of tenacity, were the tools that we utilized that week (the boys did most of the “back-breaking” work, I was a good supervisor). The French drain worked so well that within a week the back of the home was completely dry and safe to walk. In fact, it was so dry that another volunteer group was able to build a very small deck – something that the homeowner never dreamt was possible.

During the course of the week, the boys underwent a lot of personal transformation... and so did I. It was either Tuesday or Wednesday when I thought about Jesus washing the disciples’ feet (John 13). If Jesus, the Son of God, the Savior of all creation, could wash the dirty, grimy, smelly feet of the disciples, I could dig a trench. I, much like the disciples were that night in the Upper Room, was humbled.

That Monday morning, I sinned as my pride got the best of me. I thought I’d get to use my fancy power tools, put my carpentry skills and knowledge to good use; instead, it was a simple spade shovel with a splintered, wooden shaft, that became my companion for the week, and, more importantly, an implement of humility.

It’s been my experience that serving others has the ability to humble us, to ground us in reality, and to remind us of the blessings which have been given to us – which are some of the reasons why I believe serving is paramount to our faith. Our church offers a plethora of opportunities to serve locally, domestically, and internationally. Whether it be on campus for West Lawn Wednesday, or going to Reading to serve at a shelter, or drive to Appalachia to repair homes, or fly thousands of miles to El Salvador to build homes, every opportunity to serve will humble us, so long as we allow space for God to transform us.

When I think back to our mission trip in July, I no longer think of it as a question expressed in aggravation, but rather as a statement of my faith... “I traveled seven hours for that.”

Where will you serve in 2024?

Organ Special Maintenance Fund

The Music Ministry has established an “Organ Special Maintenance Fund” to help offset costs of required organ projects that fall outside of the organ’s regularly scheduled maintenance. Our beautiful Gerger Organ Company-built pipe organ, which was finished in 1994 but still incorporates sections of the original Wicks-built pipe organ which was installed in 1959, will soon require some repairs to continue providing the beautiful music it provides for worship services, weddings, funerals, and special events long into the future. If you would like to contribute to the Organ Maintenance Fund, please contact the church office or designate funds as such online or on the church app.

United Women in Faith

All women are invited to join the United Women in Faith as they gather on Tuesday, January 16th at 11:30 AM in Hebrews Café.

We will observe a Day of Prayer & Self-Denial—a quiet time as the new year begins—to renew our spiritual life. Come away from the daily routine to spend time in meditation and prayer. Our time will conclude by 1:00 PM.

EDUCATIONAL JOURNEY TO GREECE

Join Pastor Chris on an eight-day "Journeys of Paul in Greece" tour departing from Newark, NJ for \$3,498. Journey to Amphipolis, Philippi, Neapoli (Kavala), Thessaloniki, Veria (Berea), Meteora, Delphi, Corinth, and much more. The rate includes airfare, first-class hotels, guided tours, entrance and program fees, gratuities, daily breakfast and dinner, overseas transfers, and deluxe motor coach. Family and friends are welcome to join us for the trip.

Curious about the itinerary? Here's day 3: Follow in the footsteps of Paul and Silas to Amphipolis and explore the ruins of the many Christian basilicas there. In Philippi is a baptismal site commemorating where God opened the heart of Lydia (a seller of purple from Thyatira) to hear the words of Paul (Acts 16:13 -15). Lydia and her household were the first Christian converts baptized on European soil. View the Roman-era crypt thought to have served as a prison for the Apostle Paul, and explore Philippi's famous Acropolis, marketplace, the Basilica of Paul, and theater. Today's last stop is Neapolis (Kavala), one of Greece's most picturesque mainland ports, where Paul landed with his disciples, Timothy and Silas. See the Roman aqueduct and acropolis before returning to Thessaloniki for dinner and overnight.

On behalf of the entire West Lawn UMC staff, we extend our gratitude and appreciation to the entire congregation for this year's staff gift, and for your support of our team and ministries. As we begin another new year, we are reminded of our blessings and opportunities made possible only through our extended West Lawn family.

From our offices, homes, and hearts, Happy New Year!

12th Night Festival: A celebration of the Nativity

January 13, 2024 11:30 AM - 4:00 PM

We invite you to join us as we celebrate Epiphany by attending the 12th Night Festival, hosted by Christ Lutheran Church, in Allentown.

A 40 year-old community tradition held annually around the 12th day after Christmas, the Twelfth Night Festival is a celebration of the Nativity. Traditionally there are twelve days of Christmas. Twelfth Night is the “door” between Christmas and Epiphany (January 6th), the Christian feast celebrating the arrival of the Wise Men. Coming from distant lands, the Wise Men exemplified the showing forth of the newborn King, the recognition that the Christ is for all peoples.

Modeled on medieval pageants and feasts, the production includes hundreds of volunteer cast members from the congregation and the community, both in costume and behind the scenes. The Christ Church choir is accompanied by more than two dozen volunteer singers from other congregations and by a professional chamber orchestra. Local performers including the William Allen High School Dancers and the City of Bethlehem Bagpipe Band are part of the production.

Tickets cost \$10 per person. If you require transportation, West Lawn can take up to 25 guests from our parking lot using our bus and van. Others can carpool. Meet at West Lawn UMC at 11:30 AM on January 13 to carpool together. The show begins at 1:00 PM.

Preschool Teacher Wanted

Our preschool is looking to fill a part time assistant teacher position for Tuesday & Thursday afternoons (11:30 AM—3:30 PM) to work with our extended day students (ages 3-5 years old). Clearances are required.

Please contact Elise Coakley if you are interested, preschool@westlawnmc.org. Position needs to be filled by the beginning of February.

SAFE HAVEN
Lighthouse

Safe Haven Lighthouse is having a lot of fun and fellowship to end the year!

On November 29th, we took a trip to the GoggleWorks in the city. Before we went in, each child was given a piece of paper to draw a picture on. The program is called "You create, we make." The glass artist, Scott, then chose one of the pictures and he created that picture into glass. Lena's design was chosen, and it turned out beautifully. The GoggleWorks displayed it in their studio.

On December 6th, the children filled Santa buckets with personal care items to be delivered to our homebound members and those in caring facilities. Safe Haven does this in partnership with United Women In Faith. The Table Talk Sunday School class, choir members, Pastor Terry and Lisa Hoopes helped to deliver the buckets to our members to spread Christmas cheer to everyone.

For snacks we had the children create Santa pancakes. I tried one myself, and they were delicious! The fruit with the pancakes and whipped cream was especially tasty.

We are looking forward to more exciting times together in 2024! Your continued prayers are appreciated!

Shalom, Lori Madara and Bonnie Rissmiller

January 2024

I can't believe 2024 is here! That means it's officially 20 years since I graduated college, which makes me feel old. But spending time with youth every week helps me realize that although there may be more than 20 years between us, we all share common experiences. I remember feeling like an awkward teenager, and today's teens are still going through that process of figuring out who they are, where they fit and how they can make a difference. The world, and especially personal technology, may be very different from the 1990's, but no matter what age we are, we all want to Belong, have a Purpose, and develop a personal Identity. These are the things teens are searching for in 2024. I am blessed to walk alongside the 12-18-year olds here at West Lawn and help them learn how Jesus is apart of their story. They belong in the body of Christ, Jesus has given them a purpose to love God & love others, and living like Christ can inform their personal identity. I can't wait to see how they continue to grow through this next year! >< Trisha

Confirmation Class 2024

The class of 11 students has started to really form a good bond. We've learned about our faith roots (Judaism & Catholicism) and begun to figure out what it means to be a Christian, specifically a Methodist. In January they spent time digging into their spiritual gifts and learning how they can use those gifts for God's Kingdom. We will spend more time planning their Confirmation Worship Service, and helping them know how they fit into the Body of Christ here @ WLUMC.

Pedro Colon Rodriguez

Pedro enjoys the order of the services, the interaction and the way WLUMC make you part of the church and other things. He lives in Reading and works as a technician. He attends our El Beun Pastor service on Sunday nights. Welcome Pedro!

Elena Castillo de Jesus

Elena was born in the Dominican Republic but now lives right here in West Lawn with her daughter Raidily Lopez and her grandchildren. She feels very lucky to have an extraordinary family, good at heart and very loving. Even though Elena doesn't speak or understand much English at this time, her faith is deep and strong and she has chosen to be baptized by immersion at our 9:30 service and join our church. She enjoys attending our El Beun Pastor services. Welcome Elena!

Rebecca Matias

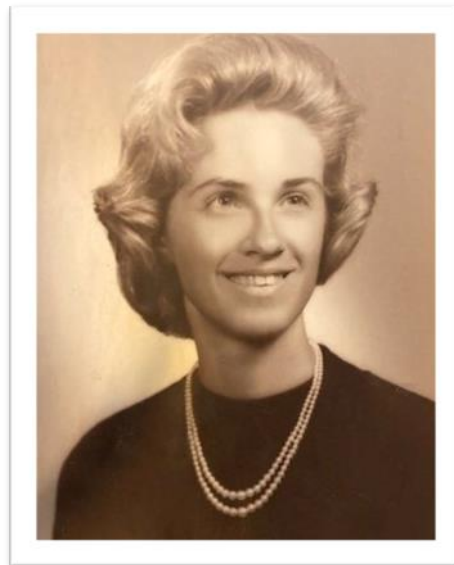

Rebecca and her son Dariel were initially attracted to WLUMC by the different activities for kids and the welcoming and comforting atmosphere. They moved from Puerto Rico to Pennsylvania in 2016. At that time Dariel was 5 years old and her sister told her about the Safe Haven program here at West Lawn. Soon they started attending the 11:10 worship service and participated in the different activities for kids. Eventually Rebecca began to learn more about the church and the different ministries, which brought her closer every day. Currently she and her son attend the 9:30AM service and the 4:00PM Hispanic service. Her son participated in Kids Club, Tween Group and now he is in Youth Group. They both like music, the beach and going to new places. Welcome Rebecca & Dariel!

Baptism

Elena Castillo de Jesus was baptized
by immersion at our 9:30 am service on
December 10th.
