"Therefore, if anyone is in Christ, he is a new creation; committed to the message of reconciliation. We are therefore Christ's ambassadors, as though God were making his appeal through us."
 - 2 Corinthians 5:17, 20

Did you know that you are an "Ambassador for Christ?" In 2 Corinthians, Paul writes in detail the mission of the church, a priority being a commitment to the message of reconciliation. The reconciliation that Paul writes about in Chapter 5 however, is not between the members of the church. This reconciliation is between God and the world, and the commitment to that reconciliation, is the mission of the people in the church. We are Ambassadors for Christ. Like it or not, good or bad, all that we do is viewed by the rest of the world as ministry.

How does the world view West Lawn United Methodist Church? I pray that the world finds us not asleep but active with community outreach, global mission, making disciples, exercising spiritual discipline, using our voice and getting our hands dirty making West Lawn look a little more like heaven each day -- all in the name of Jesus.

How does the world view you? If the world finds your church committed to reconciliation with God, does the 'Monday through Saturday' world also find you expressing that same commitment at home, at work, in school, on the golf course or in the gym? The majority of the people you meet during the week will perceive your whole church through your single voice and actions, as if everyone in the church is just like you. That's power! Like it or not, good or bad, that's the power given to the Ambassador for Christ. Is it any wonder that friendship evangelism is the number one church growth practice in the world?

Friends, as we enter the season of warm weather, graduations, extended travel, summer vacations and relaxation, invite a friend to church and remember, God is ... where you are. Psalm 139: *If I ascend to heaven, you are there; if I make my bed in Sheol, you are there. If I take the wings of the morning and settle at the farthest limits of the sea, even there your hand shall lead me ... and hold me fast.* By going out into the world, we are living out our global faith and moving in places where God is already active. Be an ambassador for Christ this summer wherever you are!

Blessings,

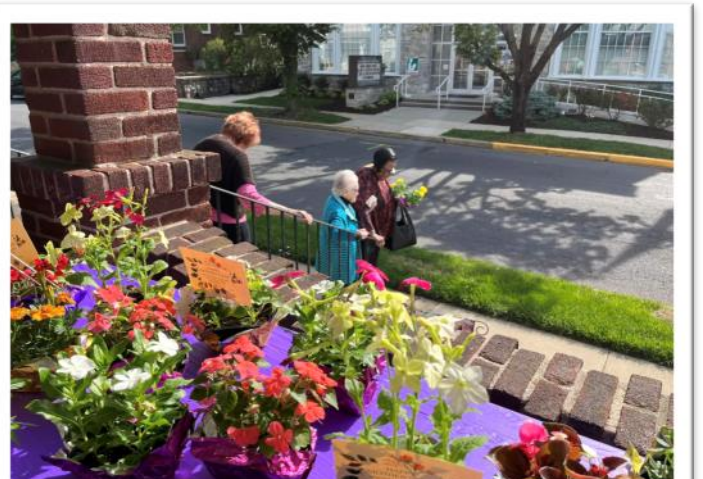

Pastor Tom

The journey of grief is a painful process, and you do not need to walk it alone. We would like to encourage you to come to the special seminar and support group offered here at West Lawn United Methodist Church called GriefShare. The materials specifically address topics and issues for those who are grieving the death of a loved one.

Griefshare meets weekly for 13 weeks and the content is Christ-centered and biblical. You will find this to be a place where you can be around people who understand the pain of your loss. You will be prayed for and learn valuable information that will help you through this difficult season of your life.

Our next Griefshare group begins Wednesday, June 14th from 6:30-8:30 PM in Room 109 of the Reiner Education Building.

We hope you will consider joining us. Registration is encouraged by visiting our website or app.

If you would like more information or to register, please contact the church at 610-678-5611 or Pastor Lisa at 484-529-4517.

June 2023

Summer is my favorite time of the year because it gives us a chance to refocus on new goals, start again and spend time outside. Just as we see a whole new set of flowers, plants and vegetables coming up all summer long, I'm anxious to help students grow deeper in their trust and faith in God during this season. In May we literally "Focused" on spiritual disciplines as our Youth Group May series was titled "Focus". We spent time thinking about prayer, fasting, and looking to the scriptures.

Then on Mother's Day weekend 20 of us headed to Pocono Plateau for the weekend. We had beautiful weather all weekend long. We took time to think and talk about our doubts, how to bring those thoughts to God, and being comfortable with the uncomfortable parts of faith. We learned that God is still with us as we think, pray, and wrestle through our faith. And we learned that it doesn't just go away someday, but that it changes as our faith matures.

On May 21st we had a nice dinner for our High School Seniors and their families. We shared special memories, ate delicious food provided by our Kitchen Ministry, and talked about staying connected to Jesus, the vine (John 15). Seniors are headed off to all sorts of colleges in the greater area, and we couldn't be more proud of the people they've become, the faith they've grown, and the depth of their character. It's truly a testament to their families and their faith community.

“READY, SET, MOVE” Vacation Bible School Takes Place This Month!

Final plans are now in the works for our READY, SET, MOVE Vacation Bible School! This year's event will take place from Monday, June 5 through Thursday, June 8. For four consecutive nights, children will experience a week full of faith discoveries, memorable music, and epic adventures that help them encounter God's power and love. Children age 3 through the completion of Kindergarten will gather each night in the Community Center from 6:00-8:15 p.m. Elementary kids, grades 1-5, should report to the Sanctuary each night from 6:00-8:30 p.m.

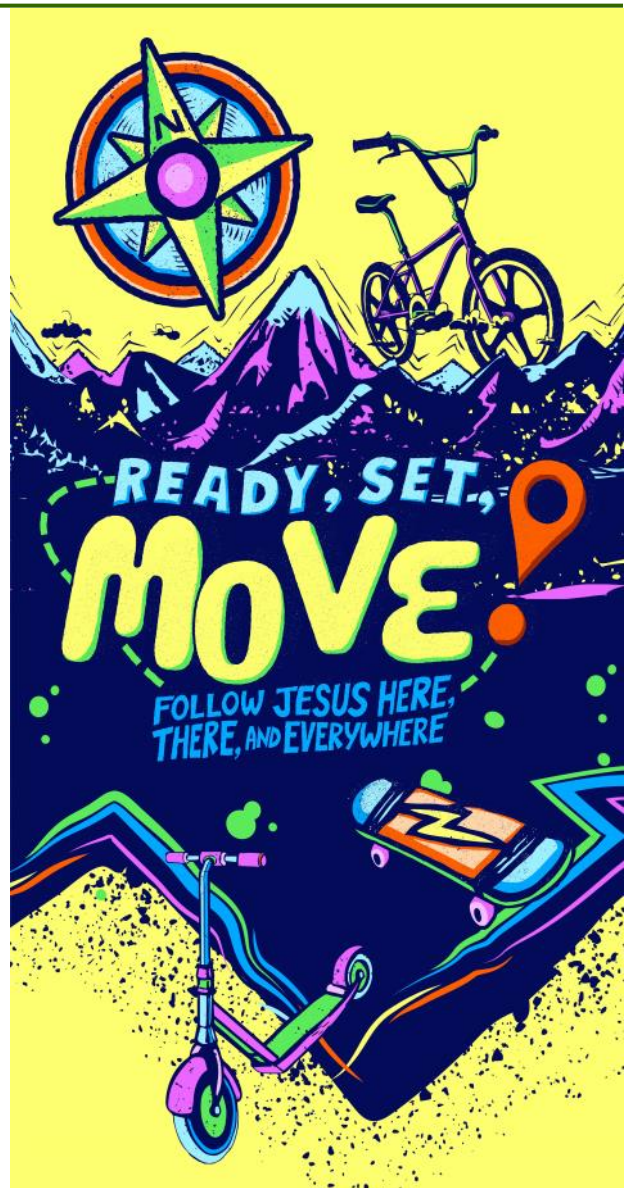

Registration is still open. Parents can go online to www.westlawnumc.com/vbs to sign up children. Before the official start of VBS, families should stop by West Lawn UMC to pick up their child's t-shirt and music CD.

Our Vacation Bible School is not possible without the help of 150+ servants! If you would like to join our READY, SET, MOVE team, contact Kelly Rismiller directly at 610-507-9141, kelly@westlawnumc.org. We can still use help in these areas:

WLUMC Children's Ministry

On Sunday, our 4th and 5th grade families assembled planters using the leftover flowers from our Mother's Day celebration. We talked about inviting others to church, and what it looks like to evangelize. Following the pot painting, planting and letter writing, the kids were encouraged to get their containers into the hands of others that do not already have a church home. Some ideas included:

1. Giving the planter to a friend or neighbor and personally inviting them to church;
2. Dropping the planter off on a random doorstep in the neighborhood near West Lawn or anywhere in their travels;
3. Taking the flowers into a laundromat and giving it to a total stranger.

The students learned there is no right or wrong way to invite others to church, and this practice is an extension of being a disciple of Jesus Christ, sharing love and compassion to others.

West Lawn Gray versus West Lawn Blue Softball Doubleheader

West Lawn's two softball teams are facing one another on Monday, June 12, at the Red Caboose Ballpark! Come and support both home teams as we watch WL Blue battle WL Gray at both 7 and 8:15 PM - a doubleheader!

Beginning at 6:00 PM, our Kitchen Ministry will prepare hot dogs, beef BBQ and salads. The softball team families are providing the drinks and snacks. All are welcome to join the teams; simply bring along a potluck dish to share! Kids are welcome to come along as well, play on the playground, and run the bases on the field between the two games! Call the church office to let us know you are attending, or register on our website.

EPA Annual Conference 2023 Recap

For the first time in three years, the Eastern Pennsylvania Annual Conference met in person from May 18-20 at the Expo Center in Oaks, PA. More than 700 members and visitors gathered under the theme “*Possibility*” (from Matthew 19:26) for the first annual conference held onsite since 2019, after managing three years of online sessions. “The Church Is One Foundation” sang the body during its opening worship celebration. And throughout the two-day session that truth prevailed in moments of communal worship, fellowship and giving, in the sacred commissioning and ordination of six clergy, and in the faithful discernment and discussion of 12 resolutions.

A new Strategic Direction that outlines the conference’s goals and path forward to increase vitality and effectiveness among its congregations and church leadership was discussed and approved. It includes a collaborative affiliation between the United Methodists of Eastern Pennsylvania and Greater New Jersey that focuses on growing transformational leaders, making disciples, growing vital mission congregations and transforming mission in our communities and around the world.

While that proposal passed by a wide margin, the introduction of a strategic direction, a new budget format and collaboration with Greater New Jersey has created disruption for some conference members concerned about too much change without a full understanding of the plans and process. The Extended Cabinet has pledged to continue to work with more laity and clergy to better understand their concerns and slow the pace of change.

As requested, the bishop, with approval of the superintendents, will call a Special Session of the conference to review and adopt a 2024 budget. The Council on Finance & Administration’s budget proposal, which reports all projected income and spending, conforms with *The Book of Discipline* and with best practices of non-profit management, EPA Treasurer and Chief Financial Officer Jo Fielding assured members.

In other highlights, the Rev. Enger Muteteke of the General Commission on Religion and Race, led a teaching session on “systemic racism, implicit bias and their impact on ministry efforts.”

Bishop John Schol presided over the conference, delivered his episcopal address, celebrated new clergy retirees and preached for the Commissioning and Ordination Service in which four clergy were ordained and one was commissioned. The Rev. James Lee, EPA&GNJ Director of Communications, preached for the opening worship. The Rev. Eunice Vega-Perez, Superintendent of GNJ’s Skylands District, preached for the memorial service, where 33 deceased EPA clergy and clergy spouses plus two United Methodist bishops and two bishop’s spouses were remembered. Little Acts of Love

A community home repair ministry

P.O. Box 120
Wernersville, PA 19565

Dear West Lawn United Methodist Church Family,

On behalf of the staff, volunteers, board of directors, and homeowners here at Little Acts of Love, I extend our deepest gratitude for the Christmas Miracle Grant we have received. Our funding is supported by grants and donations received from the community and area businesses. Without your generosity, we simply could not fulfill our mission of restoring hope to our neighbors in need of home repairs.

David served in the Navy for 23 years as a cook and now struggles getting out of his home for frequent visits to the VA after a new home was built next door. With his wife's encouragement, he finally accepted that a ramp was the safest way to enter their home via another entryway. Just prior to meeting this couple, we received a generous gift of a steel ramp that was no longer needed. It was the perfect fit for David with a few modifications.

We then received a call from the same donor who had a scooter he no longer needed. David's wife was so excited because he tires so easily and this will allow additional mobility. We are so grateful for the continued partnership with the West Lawn UMC Neighborhood Ministry who helped to make the ramp possible. The team both disassembled and installed the ramp to make David's life safer.

Your generous support allows us to make the commitment to help our neighbors like David. Again, thank you. Your gift is making an important difference in the lives of our neighbors in the Greater Reading community.

Sincerely,

Alice Moyer, Executive Director

And the Board of Directors

Thank You...

With heartfelt appreciation during a very difficult time, your kindness meant so much! Thank you for all your thoughtfulness and caring. A special note of "thanks" straight from our hearts!

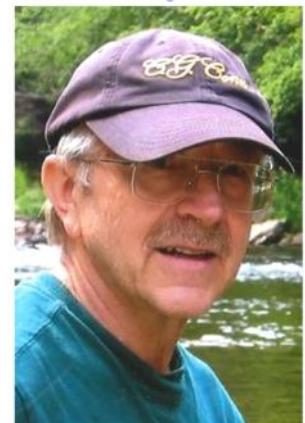

With love,

Carol Lochman

Michael & Nelly Eisenhower

"It was like walking into home" was how Nelly Eisenhower described coming back to WLUMC with her husband Michael. Nelly attended West Lawn as a child with her aunt & uncle who were members. Since that time as a child worshipping at West Lawn, she & Michael were married and raised two, now adult boys, Jacob, and Samuel; who is attending college. Nelly & Michael enjoy football, camping, and spending time at Ocean City, MD enjoying their boat. They also have two dogs that keep them busy as well. Welcome Michael & Nelly!

Margene Heckman & John Ray Jones

Margene and John were attending another church in the area and decided to try WLUMC. They found they liked it immensely and decided to make the switch. John prefers to be known as Ray. He is a retired construction management engineer so he enjoys light carpentry and electrical work. Margene was the spearhead of bringing several friends to join WLUMC and we will enjoy getting to know all the new faces!

Holly Higgins

Holly was looking for a more active church in which to participate in various activities. She followed her friends Margene, Ray, and Gloria to West Lawn. Holly is married to husband, Stephen. One of her hobbies is Diamond Painting. Don't know what it is? Ask her about it! She is also a member of Order of the Eastern Star. Welcome Holly!

Jacqueline Lawler

Jackie, as Jacqueline prefers to be known, was initially drawn to WLUMC by the beauty of the church, but she is choosing to stay because of the "awesome" people here! She has an adult daughter named Brittany. In her free time Jackie likes to spend her time reading, traveling, working out and helping others. Welcome Jackie!

Raidily Lopez-Castillo

Coming to WLUMC for Raidily was sparked by being the godmother at a baptism. She is originally from the Dominican Republic. She lives with her mother Elena, and two children Lunna a teenage girl and Jaziel her 9 year old son. They enjoy reading and traveling together. Welcome Raidily!

Gloria Schott

Gloria's friend Margene started attending WLUMC and spoke with her about how she liked it. Gloria decided she would check it out for herself and came along the next week. Like her friend, she found she liked it immensely. Gloria is kept busy with her family; two adult children Tracy and Rick, three grandchildren, and 1 great grandchild. She also enjoys crochet, baking and walking. Welcome Gloria!
